JULY RECREATION UPDATE

By Jackie Heidrick

Hi y'all! Hope everyone is feeling well. The Recreation Committee is doing great. We are in the midst of planning a September 17th theme event, a Grease 3 party. We will dress the part with big hair, tight straight-leg pants, leather jackets, and greased back hair. Music of that decade was so much fun! Footloose comes to mind, real dance music! Stay tuned for more information in the Gazette.

Remember our annual 4th of July event. The parade route is in the Gazette. Stop by for a free meal while supplies last (11 a.m. - 12 p.m.) at Millers' Mill hot dogs, watermelon, and water. For those of you new to the area, Millers' Mill is located at 33379B Millpond Drive. You will see a big, red barn right across from the Water Company. A free meal and a parade, what could be better! Be out by your curb by 9 a.m. A grand time for all ages. The Pledge of Allegiance and National Anthem, sung by Jan MacKenzie, will be at 8:30 a.m. at Millers' Mill.

Please check the Gazette for future dinners. They are the third Saturday of month for the whole family. Kids under eight eat free! There is an \$8.00 fee and reservations are necessary. Our dinners are very popular and there is limited seating. We provide music, games, prizes, and a guarantee of a wonderful time! Social time is 5:00 p.m. and dinner is served at 6 p.m. Be there or be square! You may bring wine or beer for your enjoyment, but no hard liquor please. If you are interested in becoming a volunteer, just come to our meeting at Millers' Mill, the second Monday each month at 6 p.m.. Thank you.

EXCITING NEWS! The Chili Cook-Off and Craft Fair is back Saturday, October 15th! The entry form is available on page 10, if you would like to participate.

JULY ACC HOUSE OF THE MONTH

The Hobbs Family

24560 Cornstalk Road

By Denice Harrison, CMCA®

The Hobbs Family moved from Tucson Arizona to The Farm to be closer to their daughter and in-laws. This July will be four years they have lived at The Farm.

Kris and Sharleen enjoy the safe community feeling that The Farm brings to them.

Planting asparagus ferns and Gerber daisies has made this front yard drought-tolerant. If you are looking for some ideas for your front or back yard, drive by on Cornstalk Road to check out what they have done.

Thank you to the Hobbs Family for keeping your property in compliance. We are honored to choose your property for the July House of the Month.

FARM COMMUNITY GARDEN AND RV-2

STORAGE

By Paul Bakeman

Liaison for Garden and RV Lot

Greetings Farmers, as mentioned in the title, the garden, in the past, was very popular and many farmers took advantage of raised garden space to grow what they could, lots of fresh veggies and herbs. But as time went on, usage became less important, so now only about 4 or 5 Farmers are taking part of this amenity.

There are spaces available with only a \$20 deposit and water is free. If interested, please contact the Office at 951-244-3719. The Farmers that have a Garden space and are not using, nor intend to use, your plot please turn in your key and receive your deposit.

This brings me to RV-2, which shares space with Garden. We have seen an increase of Farmers buying RVs and needing a space to park them, and spaces are filling up! So with that said, those that have a Garden space and are not using, are at risk of losing that Plot, and those that have a Plot and are using it may be asked in the future to move to another plot. This is to make room for more RV spaces.

We want to make sure that everyone that wants a Garden Plot and an RV space can have one.

IT'S HOT OUT! ARE YOU BEING SAFE IN THE HEAT?

By Sarah O'Brien, Bookkeeper

With our nation's birthday upon us, a parade to watch, barbecues to host, and tons of fun in the sun to be had, it's important to remember to be safe! We must all remember that being in the sun and heat for extended periods of time can be detrimental to our health if we aren't careful.

According to the Mayo Clinic, heat exhaustion is one of the three heat-related syndromes that becomes more common during the summer months. Heat exhaustion is commonly caused by an exposure to high temperatures, especially when combined with strenuous physical activity. Common symptoms are heavy sweating, faintness, fatigue, dizziness, nausea, headaches, muscle cramps, and cool, moist skin with goosebumps when in the heat.

If you think you're experiencing heat exhaustion, the staff at the Mayo Clinic tell us to: stop all activity and rest, move to a cooler place, drink cool water or sports drinks, and contact your doctor if your symptoms don't improve within one hour. If you find yourself with someone who might be experiencing heat exhaustion, seek medical attention if they become agitated or confused, are unable drink, or if they become unconscious.

You may be wondering if it's possible to even enjoy the sun at this point, it is! Heat exhaustion is preventable. Just remember that while you are out in the heat this year, wear loose-fitting clothing that is lightweight, drink plenty of fluids to stay hydrated, don't leave anyone in a parked car, take extra precautions with any medications you are taking, and last but not least, don't forget your hat and sunscreen. For more information about heat exhaustion and other related heat illnesses, please visit <https://www.mayoclinic.org/diseases-conditions/heat-exhaustion/symptoms-causes/syc-20373250>

EMERGENCY PLANNING

By The Farm Emergency Response Team (FERT)

Some of you already have Emergency Preparedness supplies for your family. If you have pets, you also need an emergency pack for them. A good rule of thumb is to have at least 7 days' worth of emergency supplies. Things to consider when assembling your Pet Emergency Pack are (you can fit most of these in a backpack or store in a crate):

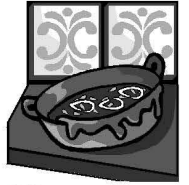

- Pet first-aid kit or guidebook (your vet may be a great resource for information)
- 7 days' worth of canned (pop-top) or dry food (be sure to rotate every two months)
- Bottled water, at least 7 days' worth for each person and pet (store in a cool, dry place and replace every two months)
- Pet feeding dishes
- Collar ID Tags with your Pet's name and your phone number
- Liquid dish soap and disinfectant
- Disposable garbage bags for clean-up & Doggie Poop Bags
- Extra collar or harness as well as an extra leash
- Photocopies of medical records and a waterproof container with a two-week supply of any medicine your pet requires (Remember, food and medications need to be rotated out of your emergency kit—otherwise they may go bad or become useless.)
- Recent photos of your pets (in case you are separated and need to make "Lost" posters)
- A traveling bag, crate, or sturdy carrier, ideally one for each pet
- Flashlight
- Blanket (for scooping up a fearful pet)
- Disposable litter trays (aluminum roasting pans work well)
- Litter or paper towels
- Especially for cats: Toys, bedding, litter box, and scoopable litter
- Especially for dogs: Extra leash, toys and chew toys, a week's worth of cage liner.

Remember that pets may not be allowed in shelters. Make sure your pets have collars with identification tags. If you are being evacuated, the location you are being evacuated to should have information on where you can take your pets.

YOUTH EVENT COMMITTEE

By Susie Watters, Chairperson

The Youth Committee plans and implements events for kids of all ages in our community (nearly all are on Saturdays). Most of our events are FREE and for the entire family. We are a very small committee and we need more help to make this work. We meet on the second Wednesday of each month at 6:30 p.m. at The Farm Barn Library! (Not Millers' Mill)

We had our annual Summer Bash the first Saturday of June. What a fun day! It was so great to see all the families come out to celebrate the beginning of Summer! We enjoyed pizza, chips, snow cones, popcorn, cookies, and punch. Thank you to Papa G's Pizza in Wildomar (951-609-1470) for supplying the pizzas to us at a great discount! Pins n Pockets in Lake Elsinore (951-245-6250) donated our raffle prizes...eight free bowling games and eight free laser tag games! How awesome! Our own Farm Mutual Water Company donates the water for all our events. We also had a Farm Resident donate \$50 toward the snacks. I want to give a BIG shout out to ALL the people who volunteered to help us set up and clean up the event. Also, those who worked our booths! We couldn't have made it happen without you! Thank you!

We also had a Storytime on "Pop Goes the Weasel" day on June 14th. Miss Janine always has a fun story and activity! This time we had puppets, too!

Look at our awesome upcoming events!:

Fourth of July Bike Parade (FREE Event) – Monday, July 4th at Noon at the Main Pond

Have your kids decorate their bikes, wagons, scooters, strollers, etc. and show their patriotism by riding around the Main Pond in all their glory! After the 4th of July Parade, come to Millers' Mill for FREE Hot Dogs, Watermelon and Chips (hosted by the Recreation Committee)! Then our Youth Bike Parade is at Noon. All participants will receive a small prize at the end!

Movie Night (FREE Event) – Saturday, August 13th at dark at the Main Pond ½ Basketball court (more info to come)

Bingo Night (FREE Event) – Saturday, September 24th 6:30-8:00 p.m. at Millers' Mill

Donations – We have a very small budget for 2022. If you'd like, you can make a tax-deductible donation to The Farm Youth Committee. Just drop off a check to the office made out to "Farm Property Owners Assoc." with "Youth Committee" in the comment. We'll also be setting up a Donation Site on the Farm Neighborhood Facebook page.

If you have children (and even if you don't), please get involved so we can put on these fun events for our precious kids! Things we need help with are setting up an event, working the event, cleaning up after the event, and fundraising.

Our next Youth Committee meeting is Wednesday, July 13th at 6:30 p.m. at The Farm Barn Library. We hope to see you there!
