Board of Directors' Message

Hello Farm Residents,

The Farm is a very unique community and may be the reason you chose to plant your roots and reside here. There are so many wonderful things going on to be enjoyed by our community members such as: swimming in one of the three pools, playing pickleball, tennis, shooting hoops, fishing in the main pond (catch and release), and walking around the common areas and trails, or taking your dog to the dog park.

There are also active committees that offer more opportunity to be involved in and have some fun! Please take some time to look through the Gazette to find things of interest to you and your family. Together, we can accomplish great things! Community support makes for a better community!

The Farm Board of Directors – Catherine Neubauer, President; David Kentish, Vice President; Michael Leonardi, Corp. Secretary; Eileen San Giovanni, Treasurer; Paul Bakeman, Director; and Edward Ahner, Director

YOUTH EVENT COMMITTEE

By Susie Watters, Chairperson

The Youth Committee plans and implements events for kids of all ages in our Community (nearly all are on Saturdays and are outdoors). Most of our events are FREE and for the entire family. We are a very small Committee and will need more help to make this work. We meet on the second Wednesday of each month at 6:30 p.m. in Millers' Mill (33379-B Millpond Dr).

E-Waste-The Youth Committee made \$190.50 on our E-Waste Drive! Thank you to everyone who dropped off their electronic items. Now, I'm sure we'll be able to do a movie night this summer! Our next E-Waste drive is Sunday, October 2nd. So, save your TVs, Computers and Cell Phones for us!

Don't miss our upcoming events:

Summer Bash (FREE Event) – Saturday, June 4th, from 4:00-7:00 p.m. (outdoors) at the Gazebo on Wagon Train, by Pool 3 (33867 Wagon Train). This is the first Saturday after school is out, Woo-Hoo! It's a party with a Luau theme. We will have food, music, games, contests, a photo booth and a drawing! Bring the family for a fun afternoon! (We'll need volunteers to help us set-up and clean-up.)

Storytime (FREE Event) – Tuesday, June 14th, from 10:30-11:30 a.m. at the ½ basketball court by the Main Pond. Join Miss Janine in a fun story and activity! (No snacks will be served...you can bring your own.)

Fourth of July Bike Parade (FREE Event) – Monday, July 4th at Noon at the Main Pond. Have your kids decorate their bikes, wagons, scooters, strollers, etc. and show their patriotism by riding around the Main Pond in all their glory! After the 4th of July Parade, come to Millers' Mill for FREE Hot Dogs, watermelon and chips (hosted by the Recreation Committee)! Our Youth Bike Parade starts at Noon. All participants will receive a prize at the end!

Donations – We have a very small budget for 2022. If you'd like, you can make a tax-deductible donation to The Farm Youth Committee. Just drop off a check to the office made out to "Farm Property Owners Assoc." with "Youth Committee" in the comment. We'll also be setting up a Donation Site on the Farm Neighborhood Facebook page. We'd love to do a movie night at the Main Pond this Summer but the motion picture licensing fee is between \$275-\$400 (depending on the movie). We'd also love to do a Bingo night!

If you have children (and even if you don't), please get involved so we can put on these fun events for our precious kids! This is a great year to get your feet wet as we only have a few events planned. Things we need help with are setting up an event, working the event, cleaning up after the event and fundraising.

Our next Youth Committee meeting is Wednesday, June 8th at 6:30 p.m. in Millers' Mill. We hope to see you there!

JUNE ACC HOUSE OF THE MONTH

The Inchcliff Family
33259 Homestead Lane
By Denice Harrison, CMCA®

The Inchcliff family moved to the Farm five years ago from Canyon Lake, purchasing the beautiful home on Homestead Lane. The family loved the area, and the affordable housing.

They enjoyed the friendly people and kid friendly things to do. It was what they liked most about living in the community.

The home was renovated, and the front yard was redone with water friendly plants, materials, and rock. The family has since moved to Kentucky but decided to use the property as a rental. The ACC Committee would like to thank the family for taking care of their property. If you have a chance to drive by, you will see how beautiful and minimal the maintenance is needed for this property.

St. Patrick's Day Dinner: Saturday, March 19, 2022
What a fabulous evening! The ladies and gentlemen of the Recreation Committee out did themselves. Corned beef and cabbage, carrots, potatoes and a wonderful cake were all homemade.

A big thanks to all our cooks, decoration committee, clean up crew, and servers. There was a fun game of Bingo and a drawing with fun prizes.

4th of July Parade and Barbecue: Monday, July 4th, 2022. Check your Gazette to find when this fun and patriotic parade will pass your house. Bring your family out to the curb to enjoy this great tradition. After the Parade, join us at Millers' Mill from 11 a.m. to noon for free hot dogs (while supplies last), watermelon and chips. Water donated by our Farm Mutual Water Company. Do not miss this. It is so fun to be part of this great community!

Please join us for future dinners and events. You will have a great time plus, meet new friends and neighbors. Watch for new events in our Gazette. Social time for our dinners is 5:00 p.m. and dinner is served at 5:30 p.m. There is an \$8.00 donation and kids under 8 eat free.

Happy Father's Day - *"Be like the bird that, passing on her flight, awhile on boughs too slight, feels them give away beneath them, and yet sings, knowing she has her wings. A Fathers love is always there when you need it. Like the wings of a bird. Author: Victor Hugo*

Remember, reservations are necessary for all of our dinners. Please call Eileen at 951-723-0883. This is due to space limitations and food preparation. Flag Day is June 14, 2022

TIRED OF LOOKING TIRED?

Submitted by Michael Leonardi

Written by Doris Day, MD - NYU Langone Health

How to erase under-eye dark circles and bags. As always contact your primary care physician before changing any routine.

Drinking too much alcohol. Alcohol depletes your skin of water, and the sugar increases skin inflammation. Also, when people drink, they typically eat foods high in salt and low in nutritional value, further increasing dehydration and inflammation. Cut back on alcohol, and you'll see the difference within a day. Alcohol also can disrupt sleep. An occasional drink is fine, but always have extra water when drinking alcohol.

Allergies cause increased redness, and rubbing with further darken and irritate the skin under your eyes. If you have seasonal allergies, start taking allergy medication a week before they tend to start. Speak with an allergist if over-the-counter treatments are not enough.

Rubbing can create a response in the skin, which leads to inflammation, wrinkling and dark circles. When you're tired from staring at your computer or phone screen, suffer from sleep deprivation or are having an allergy attack, resist the urge to rub out your discomfort. Instead, gently tap on eye cream or try the home remedies below.

Vascular inflammation. Blood vessels under the skin can be prominent if there is irritation in the area, causing dark circles. Use a firming eye cream or one that reduces inflammation such as ISDIN K-Ox Eyes. Products that have white and green tea extracts also work well. My product, CE HPR Eye Cream, has a high-potency retinol and vitamins C and E to firm and reduce puffiness, redness and dark circles.

Fast Home Remedies. Tea-and-honey-soaked cucumbers ease eye bags and lighten dark circles within minutes. Cucumbers are cooling and astringent, honey is anti-inflammatory, and tea has antioxidant properties. Green tea has the most healing benefits, but black or white tea also will work. This brew can last up to a week in the refrigerator. The best time to do this is morning and evening.

Instructions: Brew four cups of strong tea. Add three tablespoons of honey. Let the tea cool to room temperature. Add one cucumber, cut into about 16 thin slices. Refrigerate for at least four hours.

To use, lie down, close your eyes and put one cucumber slice on each eye for about two minutes.

If you don't want to wait for hours for a remedy, you can simply place moist tea bags on your eyes. Again, green tea has the most benefits, but black and white tea also will work.

Dip two tea bags in a cup of room-temperature water for 60 seconds. Take them out, and squeeze out the water. Lie down and close your eyes. Place a damp tea bag on each eye for three to five minutes.

Bottom Line Personal interviewed Doris Day, MD, renowned cosmetic dermatologist in New York City and clinical associate professor of dermatology at NYU Langone Health. FARM MUTUAL WATER COMPANY BOARD ELECTION

WRITE IN CANDIDATE: TOM GETMAN

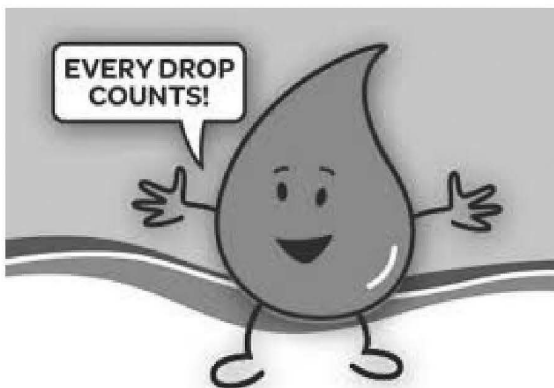

Board elections take place between May 19, 2022 and June 23, 2022. Do the best thing you can do for your water company by electing candidates who are best fit to represent the interest of the Farm Mutual Water Company, and the residents it serves. I am one of those candidates. I am asking for your vote as a very well-qualified candidate.

My name is Tom Getman. I've been settled in the Farm for eleven years, having previously lived in Murrieta. I have raised my two now-adult children in the area.

During this time, I worked hands-on in local water districts for more than two decades before having retired just before our Board elections (Murrieta County Water District, which was later merged into Western Riverside Municipal Water District).

There are few, if any, candidates who bring the broad background, deep knowledge, trained insight, and valued experience that I have into how water districts do – and do not – best operate.

In my practical work experience I brought a fresh, balanced, informed, and dedicated orientation to the job. With your vote, I will bring those same values in serving all of us FMWC water users as a member of the Board of the Farm Mutual Water Company.
