Board of Directors' Message

Hello Farm Residents,

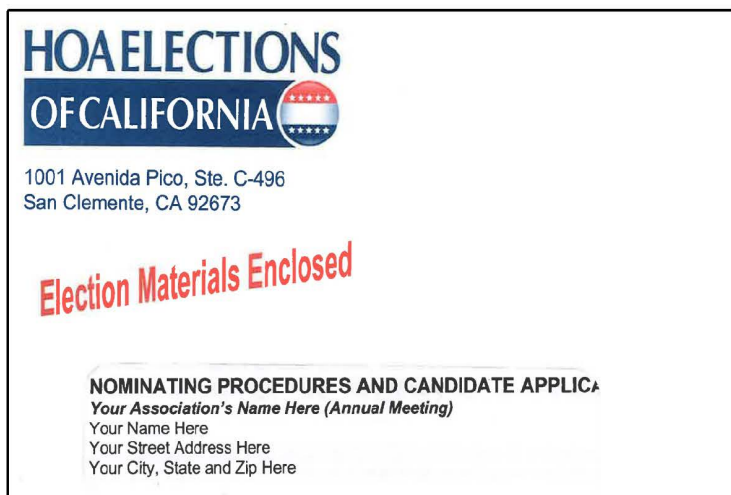

The FPOA is working to coordinate with the City of Wildomar and Wildomar Meadows to arrange a neighborhood meeting that will be held at Millers' Mill possibly in April or May of this year. We will keep you posted with any additional updates.

The FPOA Accounting Department is mailing letters to residents who are still paying the old amount for assessments. If you are on ACH with the association, the change will happen automatically. If you are using billpay, writing a check, or paying by money order, the monthly assessment is \$77. The monthly payment for RV rent is still \$40.

If you have any questions, please call the office at 951-244-3719. Forms are available in the Farm Barn lobby or on the website at www.thefarmpoa.org.

The process for the FPOA Annual Meeting is underway. Saturday, May 6th is the Annual FPOA Election. Around the middle of January, the nominating procedures and candidate application mailing for all members who would like to be candidates for the upcoming Board of Directors election was sent out. Below is the image printed on the envelope.

The Farm Board of Directors – Catherine Neubauer, President; David Kentish, Vice President; Michael Leonardi, Corp. Secretary; Eileen San Giovanni, Treasurer; Paul Bakeman, Director; Edward Ahner, Director; and Edward Moore, Director.

The Farm will be closed on Monday, February 20th in observance of President's Day.

Loving
Memory
of

Kenneth Lee Haire

Kenneth Lee Haire, age 71, of Wildomar, California passed away peacefully at home on Saturday, December 31, 2022 after a recent diagnosis of acute leukemia.

Kenneth spent many years in service to others at Calvary Church in Los Gatos, CA and then Valley Christian Schools in San Jose, CA. Things that brought him joy were his grandchildren, bass fishing, high school football and basketball games, and family dinners.

Kenneth was preceded in death by his beloved wife of 48 years, Susan. He is survived by his son Andrew Haire (wife Mary) of Wildomar, CA, daughter Rebecca Hines (husband Jeremy) of Greensboro, NC, sisters Carol Miller and Debbie Busby (husband Jim) of Shreveport, LA, sisters-in-law Corinne Lake and Becky Lake (wife Darlene) of San Jose, CA, and his grandchildren Benjamin, Emily, Samuel, and Malachi.

POOL 1 MAINTENANCE
FARM ROAD

You may have noticed construction at Pool 1 on Farm Road. Decking replacement and general maintenance will be happening through the middle of February. We hope that the weather cooperates so the pool will reopen soon.

Pool 2 on Harvest Way (behind the Farm Barn) will remain open for the heated spa. The heater at Pool 2 will be turned on Tuesday, February 28th.

FEBRUARY ACC HOUSE OF THE MONTH

The Betancourt Family
33558 Sunbonnet Court
By: Denice Harrison, CMCA®

The Betancourt Family moved to the Farm from Riverside four years ago this month. They were looking for a quieter area. With family already living in Wildomar, the Farm seemed like the perfect place.

The original rocks that were in the front yard next to the driveway have been moved. The driveway was extended. River rock has been put in the back yard along with additional concrete.

The Betancourt Family would like to thank all the neighbors on Sunbonnet Court for being so friendly.

If you are looking for drought-tolerant ideas, drive by this lovely home to see what has been completed in the front yard.

IN THIS ISSUE

By Denice Harrison, CMCA®

Start the new year by making sure the Farm POA has your correct information. Did you get rid of your landline but still have it listed as a contact number for your account? Do we have your correct cell phone number? Is your mailing address up to date?

In this issue, we have published the General Change form to update your contact information. Please call the office at 951-244-3719 if you have any questions.

Do you forget to drop off payment for the assessments and incur a late fee? In this issue is the ACH form to have the payments automatically withdrawn near the 5th of every month. You will need to provide a voided check and have your account at a zero balance to start the ACH payment process.

Email blasts are going out to all homeowners for the annual election reminders. If you didn't receive any email blasts, we may not have your Email Authorization form on file.

All forms including the Gazette are available on the website at www.thefarmpoa.org or in the lobby at the Farm Barn office. Customer service hours are Monday - Friday from 9 a.m. to 5 p.m. We are closed for lunch from 12 to 1 p.m.

DIRECTOR REPORT

President Catherine Neubauer – Welcome Committee Liaison

Cathy reported everything is going great. FERT is getting ready for the Holiday Parade. We will be leaving Millers' Mill at 6 p.m. Decorate your car. Any leftover toys donated will go to the local VFW.

Vice President David Kentish – FERT Committee Liaison

Dave reported on Saturday, December 10th, the FERT Committee will be having the Annual Toy and Food Drive along with the Holiday Light Parade. This event is from 6-8 p.m. FERT meets the first Tuesday of every month. FERT volunteers are EOC trained to assist in any disaster. We have proposed to LifeStream: Saturday, February 25th, June 10th and October 14th for the 2023 Blood Drives. March 10th-12th is CERT training in Temecula for \$25.

Corporate Secretary Michael Leonardi – Youth Committee Liaison

Ed Moore reported for Michael Leonardi. Monthly Youth Committee meetings are the second Wednesday of each month, at 6:30 p.m. at the Farm Barn. Join the fun, as volunteers are always appreciated. The Visit with Santa and Tree Lighting Ceremony held this past Saturday, December 3rd at Millers' Mill was a fantastic event for the kids and families that attended. A tremendous decorating effort was done by both the Youth and Recreation committees. Many pictures with Santa were taken, and the kids had several activities to enjoy. See Facebook for pictures and your next Gazette.

The next Youth event is the Valentine's Day Party to be held on Saturday, February 11th, from 6-8:00 p.m. at Millers' Mill. This is for all ages of youth, and as with all Youth committee events, it is FREE. Details forthcoming. Event information for all committees is in the Gazette. If clarifications are needed, there are Facebook pages to follow, and calls to the Barn office are also welcome. Please consider volunteering if you can, even if it is only helping during an event. The committee wishes to continue with their fun events for the kids, but more help is needed to keep these successful activities going.

Thank you to Gayl Taylor for donating the knitted beanies.

Treasurer Eileen San Giovanni – ACC Committee and Gazette Liaison

The ACC Committee just finished its 4th and final evaluation of the year. The committee would like to thank the community for taking such pride in their homes. They wish everyone a very merry Christmas and a healthy new year.

The Gazette committee now has volunteers for every route. We are so thankful for all of our volunteers. They do their very best to get your Gazette to you within the first few days of the month. If you have any questions about submitting an article or advertising, please contact Denice at the office. She would be more than happy to assist you.

Our accounting staff, Melissa, and Sarah are doing an amazing job along with Denice in helping keep the office running smoothly. If you have any questions regarding your account feel free to call them anytime. They are here to assist you.

Merry Christmas and Happy New Year to all!

Director Paul Bakeman – RV and Garden Liaison

We, the Board of Directors, have noticed in the last couple of years, that the Community Garden has been less and less utilized and not being maintained as expected. We had a couple of good years with Farmers planting and growing veggies and herbs but that wained for many reasons. The Board also noticed the RV community growing, Farmers that wanted an RV space were put on a waiting list. The Board of Directors has unanimously decided to remove some of the garden plots that were not being utilized to make room for more RVs for our Farmers.

There is one garden space available with a possibility of three more coming up.

Director Edward Ahner – Maintenance and Crime Watch Liaison

The Crime Watch Committee is still at a stand-still. The Crime Watch car is in great shape. We need community volunteers to get it going.

Director Edward Moore – Recreation Liaison

Meetings are held on the second Monday of each month in the Farm Barn, at 6:30 p.m. The next regular meeting is Monday, January 9th. Volunteers and guests are encouraged to attend. This month's meeting on Monday, December 12th is the committee's holiday get-together potluck, also held here at the Farm Barn.

Planning for next year's events is ongoing, and complete for their next event, with tasks determined and assignments made. They can always use a few more volunteers for their events. The Turkey Trot was a tremendous success with over 90 in attendance. Nice drawing prizes and three games of Bingo added to the fun.

The Recreation Committee also helped with the Visit with Santa event and the Tree Lighting Ceremony this past Saturday. Many of the most sincere children and their parents came dressed for the occasion, and everything went flawlessly. Santa and all the activities for the kids made this a great start to the holidays.

Next Dinner Event – Soup Night on January 21st at Millers' Mill. Sign-ups will be posted in the Barn on Tuesday, January 3rd. The menu is Zuppa Toscana soup and a vegetarian corn chowder option for those who request it when signing up. Also, salad, rolls, and dessert. Cooking assignments are well organized and purchasing/preparing is underway. The theme is "Wear Your Favorite Apron."

The committee is still seeking a volunteer to serve as secretary. Iney has been graciously taking on this task in the interim.

INFORMATION: Denice welcomed Michael back to the Board meeting.

My how time flies when you are having fun, and we always do! Next month, our dinner event will be the famous St. Patrick’s Day Party! Corned Beef and Cabbage with all the trimmings!

FERT Community Blood Drive & BBQ
Saturday, February 25th from 9:00 am-2:00 pm
Millers' Mill

Here are some quick ways to help make your donation successful:

Eat Up!

Iron and Vitamin C: Combining foods rich in iron and Vitamin C will boost your body's strength. Think green veggies and citrus fruits.

Salty snacks: A healthy amount of salty snacks can help make your next blood donation a positive experience and ensure that your gift will be put to use helping save one or more lives! Pretzels, anyone?

But don't skip meals: Think of blood donation as a normal part of your day. Don't skip or add meals to your normal routine. Just add in some healthy snacks.

Drink Up!

Hydration is important before and after your donation. When you donate blood, you give a pint of blood at a time and almost half of this is water. The more water you drink the easier your blood moves through your body and the quicker you can replace the pint you gave!

Get Moving!

In the moments before and during your donation do some simple flexing or tension exercises. Start with your toes and work your way up by tensing the muscles in your arms, legs or core for a few seconds, then relax.

These simple moves will keep your blood moving for a relaxing donation! **Now you are ready to be a lifesaver!**

You can donate if:

You have tattoos and piercings

You've had recent vaccinations/immunizations

You have Heart and Lung issues or a Pacemaker

Things that may disqualify you from donating:

Currently sick (in the last 48 hours) or around people with COVID-19 (last 10 days)

Low iron

Currently Pregnant

Extremely low (90/50) or high (180/100) blood pressure

Currently have any form of cancer

Whole Blood Donors (takes about 1 hour):

Can donate every 8 weeks. Volunteers must be at least 15 years old (no maximum age), weigh at least 110 pounds and be in general good health.

Apheresis (Double) Donors (takes about 1-1/2 hours):

This process collects whole blood and isolates double red cells, platelets and plasma, then returns the remaining components (along with a saline solution) back to the donor.

Blood Donation For Teenagers:

Our young donors are vitally important to the future of blood donation. All **15- and 16-year-olds** require parental consent prior to donating. Studies have shown blood donation to be safe for our youngest "heroes," and LifeStream wants to ensure their continued health and well-being.

Did you know? With LifeStream *ExpressPass* you can speed up your donation process by completing the required pre-donation reading and health history questions *before* arriving at the donation site (must be done the day of donation-not before). Go to Lstream.org to fill out your ExpressPass.
