Board of Directors' Message

Hello Farm Residents,

At the Open Meeting on Thursday, April 13th, the Board of Directors voted to heat Pool 1 and Pool 3 a month earlier than expected. Pool 1 has an issue with the spa skimmer leaking. Plans are in the works to have this fixed as soon as possible. Maintenance has been painting, installing new benches, and giving the pool area an upgraded face-lift. The roof on the gazebo was also repaired.

The Pool 2 heating equipment has failed. While we work to have the warranty on the equipment honored we expect to have Pool 2 heated again very soon. We hope to have all the pools open and heated before the beginning of the month.

Also at the meeting, the park at Harrow Hill was discussed. Maintenance will clean out the mud and fill it back up with water so that the water wheel is functioning. Discussion will be had on what needs to happen to stop the mud from entering the ponds.

We would like to thank the residents and the Girl Scout Troop 2501 for attending the April Open Meeting. The Girl Scout Troop proposed little libraries in the Farm for two locations. The Board approved both locations. We look forward to seeing the little library at the Farm Barn and at Millers' Mill.

The Farm Barn will be closed in observance of Memorial Day on Monday, May 29th.

The Farm Board of Directors – Catherine Neubauer, President; David Kentish, Vice President; Michael Leonardi, Corp. Secretary; Eileen San Giovanni, Treasurer; Paul Bakeman, Director; Edward Ahner, Director; and Edward Moore, Director.

The June issue of the Gazette will feature the 4th of July parade entry form. This year's parade will be held on Tuesday, July 4th.

WHAT ARE THE RESERVES? A LOOK AT THE FANCY TERMS WE USE.

By: Sarah O'Brien, Bookkeeper

A refresh is sometimes needed for all of us to get a recap of what all those fancy words mean in the yearly budget packet or the document package you received when you bought your home.

This article will cover a few subjects within the Reserves topic itself: Useful Life, Depreciation, Individual Homeowners Contributions, and Percent Funded.

- **Useful Life** = The estimated number of time (years) that an asset will be useful. This is without any improvements, repairs, and/or overhauls. At the end of an asset's Useful Life, it is expected to be replaced entirely, or completely overhauled. This is not always the case, as assets can continually be reviewed for actual wear and tear, versus the initial assessment. [i.e. An asphalt shingle/composition roof's approximate Useful Life is 20 years.]

- **Depreciation** = This is a percentage or monetary amount that an asset will lose in its value over the course of its useful life. The first few increments of time (usually years), the percentage/monetary amount will be small, this is a new asset after all. Further on in the asset's useful life, it will start depreciating at a higher percentage/monetary amount. [i.e. From the moment your new roof is installed, it starts depreciating. Typically, the first few years are a depreciation of 5% per year if no damage has occurred and the wear on the roof has been typical (for instance, snowpack on the roof didn't become an issue suddenly).]

- **Individual Homeowner's Contributions** = This is a dollar amount that is allocated to the Reserves account from the assessment that you pay every month. The dollar amount is based on the percentage recommended by the Reserve Study Professionals when they complete their Reserve Study every fall. That percentage is how much of the annual budget that should be put into the Reserves account based on the estimated depreciation of all the assets in the association expected for the year. [i.e. You know that after the Useful Life of your roof is up, you will need to replace it. So, you have been putting that 5% depreciation monetary amount in a savings account every year in preparation for that big expense. Now, you won't have to come up with the entire amount all at once, this is your personal Reserves account in a sense.]

- **Percent Funded** = This is a ratio, at a certain point in time in the fiscal year, of the actual Reserve balance to the Fully Funded balance, and it is expressed as a percentage. "Percent funded is calculated by dividing the current reserve fund balance by the fully funded balance." This percentage can go up and down over the years based on the need for pulling from the Reserves to repair (and in turn, extend the Useful Life of) community assets.

So how does all this tie into the Reserves? The useful life of each asset is calculated, its measure of yearly depreciation is calculated, this is all divided by the number of properties within the association, and then this monetary amount is deducted from the total assessment amount for the year and put into the Reserves account, changing the percent funded based on the Reserve Study's estimates for the year.

I hope this was helpful to you in understanding some parts of how the Reserves work for the Farm Property Owners Association. If you have any questions, please feel free to call the office during business hours at (951)-244-3719.

MAY-ACC HOUSE OF THE MONTH

The Martinez Family
34521 The Farm Road

By: Denice Harrison, CMCA®

The Martinez Family moved to the Farm in December 2019. With work and family already in the area, they decided to purchase the property from family. They continue to enjoy the quiet neighborhood, hike the many trails, and enjoy picking fruit from the groves.

The windows were replaced. When deciding on the landscape all plants were switched over to being drought-tolerant. The changes in the landscape were completed by the family. The Martinez Family put in the time, and enjoyed the process while doing the upgrades.

If you are looking for drought-tolerant ideas, please drive by this beautiful home on Farm Road and take a look. Thank you to the Martinez Family for taking pride in your home.

For questions or parking issues with the public streets, notify City of Wildomar Code Enforcement at 951-677-7751, ext. 207.

For your safety and convenience, two non-emergency crime lines have been created by the Riverside County Sheriff's Department.

If you are experiencing an emergency, please call 911 immediately.

THE FARM PROPERTY OWNERS ASSOCIATION
OPEN MEETING MINUTES
THURSDAY, MARCH 9, 2023

MEETING PLACE: Farm Barn – 33430 Harvest Way

CALL TO ORDER: By: President Catherine Neubauer

PLEDGE & MOMENT OF SILENCE

ROLL CALL:	Catherine Neubauer	President
	Dave Kentish	Vice President
	Michael Leonardi	Corporate Secretary
	Eileen San Giovanni	Treasurer
	Paul Bakeman	Director
	Edward Ahner	Director
	Edward Moore	Director
	Denice Harrison, CMCA®	Association Manager

ABSENT: Michael Leonardi, Corporate Secretary – Excused
Paul Bakeman, Director - Excused

GUESTS: None

APPROVAL OF MINUTES

MOTION: ES/DK: Approval of Open Meeting Minutes, Thursday, February 9, 2023. M/C

REQUESTS TO SPEAK: There was one request to speak.

CLOSED OPEN FORUM

AGENDA ITEMS

INFORMATION: The ACC House of the Month is the Rohlmeier family at 33988 Windmill. The landscaping is beautiful, a pride in ownership! They also did a fine job decorating for Christmas. Take a drive by and check out their landscaping.

INFORMATION: The treasurer’s report was read. At the end of February, the operating account was \$188,898.01 with \$390,786.08 in the reserve account for a total of \$579,684.09. There was \$38,900 spent from the reserve account for the project at Pool I on Farm Road. Seven homes transferred ownership with 94% of the homes paying their February assessments.

INFORMATION: The maintenance staff is working on weed abatement. This is an on-going project with all the rains.

MOTIONED: EA/EM: To list the Crime Watch car for sale with the light bar and radio included for \$3,000 OBO. M/C

MOTIONED: EM/ES: To approve the Youth Committee meetings now be held on the first Wednesday of every month at 6:30 p.m. at the Farm Barn. M/C

DIRECTOR REPORT

President Catherine Neubauer – Welcome Committee Liaison

The Welcome Committee is looking for two volunteers to drop off a welcome packet for new residents. This is done once-a-month. If anyone is interested, call the office at 951-244-3719.

Vice President Dave Kentish – FERT Committee Liaison

The FERT Committee will be doing training exercises on Saturday, May 6th at 9:00 a.m. at Millers Mill for anyone interested, please attend. The February Blood Drive fundraiser had 30 pints donated. The FERT Committee is looking into advertising during the Youth events with a booth so information can be shared about what we do. CERT training is planned for March 10th-12th in Temecula. We are planning for a major earthquake.

Corporate Secretary Michael Leonardi – Youth Committee Liaison and Line Dancing

Excused

Treasurer Eileen San Giovanni – ACC Committee and Gazette Liaison and Exercise

Our accounting department is doing a fine job. They are always willing to assist our residents with their accounts. They still have homeowners not paying the correct monthly due amount of \$77. The annual audit of the FPOA financials is underway by our accounting firm Fox & Stephens. These results will be mailed to FPOA homeowners by the end of April.

The Gazette Committee is always looking for interesting articles to be published. We thank our committees for their monthly articles. Remember, all articles need to be given to Denice or emailed to Denice by the 10th of each month. Our front and back covers always give you the up-to-date monthly events.

The morning video-led exercise program meets Monday through Thursday 7:20-8 a.m. at Millers' Mill. There is always room for more to join our happy group. It's a great way to start the day.

Director Paul Bakeman – RV and Garden Liaison

Excused

Director Edward Ahner – Maintenance Liaison

Weed abatement is on-going and is a focus for the maintenance staff.

Director Edward Moore – Recreation Liaison

Edward reported for Michael about the Youth Committee. The monthly Youth Committee meetings are the first Wednesday of each month at 6:30 p.m. at the Farm Barn. Join the fun, as volunteers are always appreciated. The next meeting is Wednesday, April 5th. The Valentine's Day Party was held Saturday, February 11th at Millers' Mill. This was another successful event. St. Patrick's Bingo will be held Saturday, March 11th.

On Saturday, April 1st there will be the Community Garage Sale. On Sunday, April 2nd, there is an E-Waste event benefitting the Youth Committee. Drop off your electronic items from 2-4 pm at Millers' Mill.

The Youth Committee event for April is the "Easter Egg Hunt" at the main Pond. It will be held on Saturday, April 8th, beginning at 10 am. All ages are welcome, and, as with all youth events, it is free. The event information for all committees is in the Gazette. If clarifications are needed, there are Facebook pages to follow, and calls to the Barn office are also welcome.

Please consider volunteering if you can, even if it may only be helping during an event. The committee wishes to continue with their fun events for the kids, but more help is needed to keep these successful activities going.

Edward reported for the Recreation Committee. The meetings are held the second Monday of each month in the Farm Barn at 6:30 pm. The next regular meeting is this Monday, March 13th. Volunteers and guests are encouraged to attend. The Oscar Night dinner was a success with almost 60 folks attending. Decorations were gorgeous and plentiful.

Planning for the forthcoming events is ongoing, and basically complete for their next event, with tasks determined and assignments made. They are waiting to purchase the ingredients until they get a good idea of the number of reservations made. They can always use a few more volunteers for their events.

The next dinner event is the St. Patrick's Dinner on Saturday, March 18th at Millers' Mill. The menu will be corned beef, cabbage, potatoes, rolls, and homemade carrot cake for dessert. You may bring your own beer or wine. Bingo will be played

and an opportunity drawing held. Donation is \$8 per reservation, \$4 for ages 3-8, paid in cash at the event. Social hour is 5 pm with dinner being served at 6 pm. Sign ups are open now and close on Monday, March 13th.

There is no dinner event in April, but there is the Community Yard Sale on Saturday, April 1st. This is not sponsored by any committee but is a fun way to meet your neighbors.

For May, the dinner theme is "Cinco de Mayo Celebration", on Saturday, May 20th at Millers' Mill. Reservations sign ups will be open on Monday, May 1st, posted in the Farm Barn, and calls/texts to Patty. The menu will be cheese enchiladas, beans, rice, and dessert. You may bring your own beer or wine. Bingo will be played, and an opportunity drawing will be held. Donation is \$8 per reservation, \$4 for ages 3-8, paid in cash at the event.

Please consider volunteering to serve as secretary. Iney has been graciously taking on this task in the interim.

OPEN FORUM

REQUEST TO SPEAK: There were no requests to speak.

Meeting adjourned at 7:37 p.m.

Time to do touch up painting

ACC Corner

ARCHITECTURAL CONTROL COMMITTEE MESSAGE

The ACC meeting is held the first Wednesday of every month. Any architectural changes or improvements to the exterior of your property require approval from the ACC Committee before work can be initiated.

All ACC Change Applications must be submitted to The Farm Barn by Thursday, June 1, 2023.

Friendly reminder – All holiday lights should be down. This will be part of the second quarter evaluation along with any needed paint for the home, fascia, garage, and fences.

Section 3.1 of the ACC Rules – Every owner shall be responsible for maintaining and repairing the exterior of their home at their expense. This includes sheds, carports, garages, patios, paint, trim, caulking, roof repairs, structural repairs, and all other exterior maintenance

The recent rains have brought us all weeds. These are weeds that need to be pulled.

YOUTH COMMITTEE EVENTS

By: Susie Watters

We've changed our Youth Committee meetings to the **FIRST** Wednesday of every month, starting April 5th. We meet at The Farm Barn Library at 6:30 pm. Join us to help plan and implement these fun events for the Kids!

Past Events: Easter Bunny Fun - Wow! I am extremely humbled by the outpouring of help we received from YOU, our wonderful community! Without your selflessness, we couldn't have pulled off such a large event. Thank you, thank you!! Five of our Board members were on hand to help us, too! We had a FABULOUS turn out! We estimated 230-250 kids attended with their families. They were all so cute doing the Easter Egg Hunt, Pictures with the Easter Bunny, Face Painting, Rock painting, making bracelets, planting seeds and doing Easter crafts! Your Farm Emergency Response Team was even there handing out emergency supplies to the kids. Thanks, also, to all the families that came down to enjoy the day! Without your participation, it would have been a pitiful event.

E-Waste Fundraiser - Thank you to everyone who dropped off their TVs, Computers, Laptops, Cell Phones, etc. to help the Youth Committee with their fundraising event. We appreciate it!

Upcoming Events: Life Skills - Has been cancelled. Too much work and not enough people to plan it.

Summer Bash - Saturday, June 10th, from 4:00 pm-7:00 pm at the Wagon Train Gazebo. Woo Hoo! First Saturday of Summer! We'll have Pizza or Sandwiches, snacks and drinks. Games, Prizes, Music, Snow Cones, and maybe even Cotton Candy! Come on down and kick off Summer with a BASH!

StoryTime - Thursday, June 15th from 10:30-11:30 am at the Farm Barn Library. We now have StoryTime the third Thursday of every other month (on even months). Bring the little ones to the Library for a Story, Singing, Snack, and a Craft! We even have Mr. Bruce playing his guitar and singing songs with the kids. What a better way to go on an adventure without leaving The Farm!

We only have six members on our committee. If we don't get more people to join us, we will NOT be able to put on all these events. It's far too much work for only six people. If your kids and grandkids enjoy our events, please get involved!

Exercise at Millers' Mill

Monday - Thursday

from 7:20 a.m. to 8:00 a.m

Check the calendar.

APRIL SHOWERS BRING MAY FLOWERS! AND OH, WHAT BEAUTIFUL FLOWERS THEY BE!

By: Jacquie Heidrick

There are many important events and holidays in May: International Workers' Day, Health and Awareness Day, May Day, Cinco De Mayo, and Mother's Day. My personal favorite this month is Mother's Day on May 14, 2023. "*Mothers are angels who lift us to our feet when our wings have trouble remembering how to fly.*" -Unknown.

Cinco De Mayo Dinner Event: May 20th, 2023. Cheese Enchiladas, Beans, Rice, and Dessert. This is a yummy menu! You could wear the colors of the Mexican Flag: green, representing hope and independence; white, representing unity and purity; and red, representing the blood of the national heroes. Do not miss this great meal! Sign up early, this dinner will be very popular.

July 4th Parade & BBQ: FREE Hot Dogs, Chips, Watermelon and Water donated by FMWC. There will be a map in our Gazette showing the time it will pass your house. You may join in the parade by filling out the application in the Gazette and decorate a golf cart, car, motorcycle, or truck. The Parade will start around 9:00 a.m. Afterward join us for our tasty BBQ. So much fun!

Luau Dinner Event: Saturday, September 16, 2023. Pulled Pork, Coleslaw, Pineapple, and Dessert. Sounds simply delicious! More about this event in our next article.

Our dinner events start at 5:00 p.m. for a social time and at 6.00 p.m., dinner is served. Reservations are necessary since space is limited. Please call Patty at 951-746-6134 or sign up in the Barn office. Volunteers are always needed. Join us at our monthly meeting the first Monday of the month at the Farm Barn at 6:00 p.m.

Thank you for participating in our dinners! You help our community by being a part of events and dinners. You not only meet your neighbors, but enjoy great food, music, dancing, raffles, and games. Let your neighbors know what a good time you had and ask them to join you. Our community can do much more with your participation.

The Farm Line Dance Class would like to encourage you to join us on Tuesday nights at 6 p.m. at Millers' Mill as we learn new dances to a variety of music. For example, the Electric Slide, Macarena, Leroy Brown, Boot Scootin' Boogie, Tush Push, Watermelon Crawl, 10 Step, Cupid Shuffle, Elvira, Waltz, Power Jam . . .

Call Terry L. at 760-532-1130

or

Terry R. at 951-897-3049

We do look lovely in our Pink Lady outfits, but there is no dress code - other than you must be dressed!
Did we mention that we are a fun group?

Youth Easter Egg Hunt Event
Saturday, April 8th
Main Pond

By: Susie Watters

We were happy to be involved in the Youth Committee's Easter event. It was great seeing all the families having fun! While we were passing out emergency supplies to the kids, we hope it got you thinking about your own Emergency Preparedness.

We'd like to extend an invitation to the Community to observe (or participate in) our next FERT drill. It will be held on Saturday, May 6th at 9:00 am at the FERT Shed in the Millers' Mill parking lot. It will be a "mock" disaster and FERT will be responding to various "issues". We do drills quarterly to hone our skills in case of an actual disaster. We hope to see you there!

Our next Blood Drive is Saturday, June 10th from 9:00 am -2:00 pm at Millers' Mill. With a BBQ, of course!

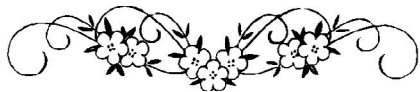

Our Committee meets on the first Tuesday of every month at 6:00 pm at The Farm Barn Library. We hope to see you there!

MEDICAL EQUIPMENT

By: Beverly Bakeman

Please remember that we have medical equipment available for our Farmers to use free of charge. If you have a broken ankle, a sprain, or are just out of the hospital and are weak, call Beverly at 951-244-1863. No donations are needed at this time.

EXERCISE GROUP

By: Linda Skene

Want to jumpstart your day with a quick, effective, morning work out? This group has been meeting for eight years at Millers' Mill.

It is a half hour video-led program with optional light weights. It goes by so quickly, and everyone feels terrific afterward! Join us at 7:20 - 8 a.m. on Monday through Thursday. Give it a try! You'll be glad you did!

BON VOYAGE CATHY!

We have mixed feelings here at the FPOA, both sorrow and excitement, as we say goodbye to a beloved member of our community while she heads out on her next adventure.

Catherine Neubauer has been a resident here at The Farm since 2005. She has held various positions throughout the community, volunteering her time and energy to the Youth committee, the Welcoming committee, and the FERT committee to name just a few. As a Director of the FPOA, she has been our Treasurer, Corporate Secretary, and is leaving us after her tenure as President.

Cathy's strong leadership and effective dissemination of the peoples' wishes here at the Farm have made her a beloved member of our community. Cathy will be sorely missed by both the Board of Directors and the Farm Community.

Thank you, Cathy, for your years of service, and good luck on the next chapter in your life!

BLOOMS ON THE FARM

By: Sarah O'Brien, Bookkeeper

I don't know if you've noticed yet, but spring is finally here! It is a fresh reminder of how life goes on, even after such a cold, dark winter has been had. May is a big month for blooms in general, with flowers spreading out in all their glory, some vegetables beginning to mature, and the beginning buds of fruit on trees. So much to look forward to!

One flower I have noticed making a big splash this year is the Freesia. It has a trumpet-looking bloom and long thin leaves. There are different color varieties, but I've seen quite a few purple and yellow ones recently. They have a sweet, powder like scent and are early bloomers, starting in the last vestiges of winter and fully-blooming in early spring.

We won't see these flowers for much longer once the heat really kicks in, as they wither in summer. So make sure you get outside and get a glimpse before they're gone!

ATTENTION QUILTERS

By: Beverly Bakeman

Do you quilt all by yourself? Why don't you join us ladies on Tuesday mornings from 9 a.m. to 1 p.m..

We bring our machines and have a great set up at Millers' Mill. We would love to increase our group. So stop by and check us out.

Maintenance Report

Harrow Hill Park and Pool 1 (Farm Road) Update

Maintenance has been working to clean the mud and sand out of the Harrow Hill ponds.

The Gazebo roof has been repaired. The pool decking concrete has been replaced.

Maintenance has been working on painting and replacing the handrails. The restroom and shower area has had a facelift.

We're looking forward to the community enjoying Pool 1.
