Board of Directors' Message

Hello Farm Residents,

The FPOA Annual Budget meeting will be held on Thursday, October 12th at the Farm Barn. This year, the meeting will begin at 6:30 p.m. with the Open meeting following at 7 p.m. We hope you can attend!

The month of October is full of committee events. Please check out the calendar in this issue. Storytime will continue on Thursday, October 19th at the Farm Barn at 10:30-11:30 am.

Our volunteers are also looking forward to seeing you at the Coffee Klatsch EVERY MONDAY, at the Farm Barn beginning at 9am.

If you would like to enter the Chili Cook-Off and Craft Fair, the entry form is in this issue. The remaining craft spaces available will be outside. All entries must be received by Wednesday, October 11th at 1:00 p.m. The event will be held on Saturday, October 21st. The Recreation Committee will have a ticket booth for Peoples' Choice. The FPOA Board of Directors will be announcing the Farmer of the Year, Humanitarian, and the Gordon Cox Lifetime Achievement Awards.

We wish you all a happy Fall, and hope to see you at the committee events.

The Farm Board of Directors – President David Kentish, Vice President Paul Bakeman, Corporate Secretary Michael Leonardi, Treasurer Eileen San Giovanni, Director Edward Ahner, Director Edward Moore, and Director Gayl Taylor

ACC HOMES OF THE MONTH

The June Family
34269 Olive Grove Road
By: Sarah O'Brien, Bookkeeper

The June Family moved to the Farm in 1990, from Cypress, Ca. They decided long ago that this area would be a great place to retire. The family has enjoyed the peaceful and quiet community here at the Farm for 33 years now.

Since purchasing the home, the family has painted the exterior, and has planted drought tolerant trees and evergreen bushes. There is also a large tree in the front yard that is well-loved by the family.

Thank you to the June Family for keeping your property maintained and looking great, even after so many years!

A LITTLE MAINTENANCE SAFETY TIP

By: Paul Bakeman

We recently had a storm with high winds and over two inches of rain come through The Farm and a lot of us have experienced an extraordinary amount of debris, trash leaves, pine needles, in, around, and our homes (particularly the pine needles). Pine needles are flammable, and all it takes is one errant spark from a fire to set it off. Check your roof, if you have pine needles and any other dry material, please remove them.

Fire season is not over yet, and the Santa Ana winds will be upon us soon increasing fire danger. The Farm maintenance crew is doing their very best clearing weeds from our common area, the City and County are doing the job or contacting the land owners that surround The Farm to clear the weeds.

A little maintenance on your part can save your home, and many others!

The Perez Family accepts the September Home of the Month certificate and photo from ACC liaison Eileen at the open meeting

ACC HOMES OF THE MONTH

The Kahre Family
34214 Olive Grove Road
By: Sarah O'Brien, Bookkeeper

The Kahre Family joined The Farm community in April 2016 after 50 years in Costa Mesa and 14 years in the Texas humidity. Needless to say, the weather here was a big draw, on top of the affordable prices for the area.

The family enjoys their neighbors and loves how the volunteers make it a great community to live in. Hummingbirds and lizards are their favorite creatures to encounter, though there is an ongoing battle with some pesky gophers and rabbits.

The exterior paint on this house has been redone, and the front yard slop has been landscaped with ground cover and drought tolerant plants. The ACC committee wants to thank the Kahre Family for showing pride in ownership with their property.

Coffee Klatsch meets every MONDAY at the Farm Barn - 9 am
SEE YOU THERE!

CLOSED OPEN FORUM

AGENDA ITEMS

INFORMATION: On Saturday, September 23rd, the FPOA and the City of Wildomar will hold a FREE Ice Cream Social for Farm residents. Join us from 12-2 p.m. for the first city-sponsored event. Meet your hard-working city officials.

MOTIONED: EA/PB: To approve the location for the two little libraries built by Girl Scout Troop 2501. One little library will be installed at the Farm Barn and the second little library will be installed at Millers’ Mill near the bench for Tina and Cliff Miller. M/C

INFORMATION: All Farm residents are invited to Coffee Klatsch held every Tuesday at the Farm Barn at 9 am.

INFORMATION: The two homes of the month are The Freund Family at 33834 The Farm Road. They relocated here a few years ago from Orange County and started adding their special touch to the landscape and repainted the home. We welcome them and thank them for their pride in ownership. Our second home of the month goes to the Kitchell Family at 33552 Windmill Road. They love the rural feel and have beautifully maintained a low-water landscape. Another example of pride in ownership.

MOTIONED: ES/EM: To approve a lien according to Section 5705 of the Civil Code against parcel number 362-651-015, the Association authorizes Richardson Ober LLC to place alien to recover the delinquent amounts and any late fees, interest charges, and other collection-related amounts. M/C

INFORMATION: The treasurer's report and reserve spending information was received and reviewed. The total funds in the operating account as of July 31, 2023, was \$270,697.76 with the total funds in the reserve account at \$399,241.22 for a combined total of \$669,938.97. The Mazda truck transmission was \$3,108.24 from the reserve account. There were seven new homeowners for July. The July assessments paid were 94.4% of the membership.

INFORMATION: The maintenance report was reviewed. Weed abatement and the pond algae are ongoing maintenance at this time. The pool pump at Pool #2 was replaced.

DIRECTOR REPORT

President Dave Kentish – FERT Committee Liaison

Dave reported the Farm Emergency Response Team (FERT) is here to help before any services might be available. The committee has been building resources for several years. They are equipped with ham radios. Farm residents may be on their own for 24-48 hours in the event of an emergency. Triage will be set up at Millers' Mill if needed with the team on standby. FERT meetings are held on the second Tuesday of the month at 6 p.m. at the Farm Barn. We encourage Community Emergency Response Team (CERT) training through the city or county.

Vice President Paul Bakeman – Garden and RV Liaison

Paul reported there are five garden spaces available. There are 25 RV spaces available of various lengths. The 10' spaces are available as a second space for an additional \$40 rental. The same rules apply.

Corporate Secretary Michael Leonardi – Welcome Committee Liaison and Line Dancing

Michael reported the Welcome Committee visited seven homes that closed escrow in July. The staff is working hard and doing well. Line Dancing is every Tuesday and is taught by Terry Leonardi.

Treasurer Eileen San Giovanni – ACC Committee and Gazette Liaison and Exercise

Eileen reported our accounting department is in full swing working on the 2024 FPOA Budget. In the next few weeks, the Board with some of the staff will be viewing all the FPOA properties for our Reserve Study. The Reserve Study measures the life span of all buildings, pools, equipment, etc.

The Gazette Committee is finishing up the Gazette for September. Remember to check out the front cover and calendar for monthly events.

Director Edward Ahner – Maintenance Liaison

Ed Ahner reported the maintenance team is constantly working on weed abatement with safety as a top priority. Algae at the ponds is also a work in progress for the maintenance team.

Director Edward Moore – Recreation Committee Liaison

Edward Moore reported for the Recreation Committee. Meetings are held on the first Monday of each month in the Farm Barn at 6:30 p.m., except for this September's meeting to be held on the second Monday, September 11th because of Labor Day. Volunteers and guests are encouraged to attend. Planning for the forthcoming events is ongoing. They can always use a few more volunteers for their events. The next event will be Music at the Pond: on August 19th from 5:30-8:30 p.m. A FREE event, just bring your chairs and food. There will be a singer/DJ named Alyse.

The next dinner event is a luau-themed dinner on Saturday, September 16th at Millers' Mill. The menu is pulled pork sandwiches, coleslaw, pineapple slices, and dessert. You can bring your own beer or wine. Bingo will be played and a drawing will be held for excellent prizes. Donations are \$8 per reservation, \$4 for ages 3-8, and paid cash at the event. Social hour is 5 p.m. and dinner is served at 6 p.m. Sign-ups will open on Friday, September 1st.

Planning for the Chili Cook-Off and Craft Fair on October 21st at Millers' Mill has begun. The Craft Fair start time is 9 a.m. with set-up at 7 a.m. All craft booths must be done with set up by 9 a.m. Chili event tasting and voting occur from 12-2 p.m.

Director Gayl Taylor – Youth Committee Liaison

Gayl reported for the Youth Committee. We had a very good turnout for the August meeting. We discussed doing six events in 2024 and a joint event with the Recreation Committee in December. Another Storytime will be held on August 17th. The Youth Committee will decide from the Storytime attendance whether to continue. We will be setting up a “Remind” Account to get more members.

ARCHITECTURAL CONTROL COMMITTEE MESSAGE

The ACC meeting is held the first Wednesday of every month. Any architectural changes or improvements to the exterior of your property require approval from the ACC Committee before work can be initiated.

All ACC Change Applications must be submitted to The Farm Barn by Thursday, October 26, 2023.

ACC Rule Section 6.6 Weed Abatement

Vegetation that is flammable and endangers the public safety by creating a fire hazard including but not limited to seasonal and recurrent weeds, stubble, brush, dry leaves, and tumbleweeds must be kept cleared (disked or removed) away from all structures for a distance of 100 feet or as applicable depending on lot size.

*Dry pine needles are a fire hazard.
Please clean them up as soon as possible.*

Story Time at The Farm Barn Library

By: "a young farm resident"

I heard a rumor that Story Time might be canceled, so I told Mom to make sure we go this time so it won't get canceled. What fun I had!!! Miss Carolyn read us a story called *Mouse Paint*. It was a story about three white mice. They got into trouble when they discovered some paint. Even though the story was supposed to teach us about primary colors, mixing them to make other colors to make new colors, I was entertained just by watching the mice jump into the cans of paint. Oh, how I would love to do that. But, of course, I would get in trouble.

After the story, Miss Linda handed out musical instruments – whistles, a tambourine, a triangle, a xylophone, and others. She asked each one of us which instrument we would like to play. She even let us change our minds if we wanted to. Miss Linda led us in five songs, "Row, Row, Row Your Boat," "Itsy Bitsy Spider," "London Bridge is Falling Down," "Twinkle, Twinkle Little Star," and "Old MacDonald Had a Farm." The last one got really silly. What sound does a giraffe make? No one knew and so we all had a good laugh.

Next, we went to the tables for craft time. Miss Susie was our teacher. She had paper, paints and crayons out. Many of us tried to mix the colors that were in the story to see for ourselves that it actually worked – and IT DID!!! We also got to put our names on these name plates for our bedroom doors.

Finally, we got a snack! That's gotta be my favorite part, but I did enjoy the whole morning. Including me, there were 14 kids and lots of parents and teachers. I sure hope we get to do this again. I had the BEST TIME EVER!!!

Mouse Paint

YOUTH COMMITTEE EVENTS

Movie Night was a hit on August 12th with about 90 in attendance! We watched *The Super Mario Bros. Movie* under the stars at the Main Pond. We had popcorn and other treats. There were boxcars in the form of a school bus, a race car, and even a Transformer.

Story Time on August 17th was so much fun as you can read from the story above. Can't wait to see you and your littles at our next one!

Sunday, October 8 – E-Waste Fundraiser

The day after our bi-annual Community Farm Yard Sale, we have our E-Waste Fundraiser. Drop off your old TV's, Computers, Cell Phones, etc. at Millers' Mill between 2-4 PM. The Farm Youth Committee receives a portion of the proceeds.

Saturday, October 28th – Trunk or Treat! This is a Farm Favorite!!! Decorate a Trunk to hand out candy to our Farm Kids or bring the whole family to enjoy Trunk or Treating and a carnival. Trunk set up is at 5 PM, event begins at 6PM, voting ends at 7 PM. Then our Halloween Carnival begins inside Millers' Mill and winners are announced at 7:15PM. Prizes for Funniest, Scariest and Best Overall Trunk! Event goes until 8:30PM.

PET OF THE MONTH

By: Susie Watters

Our local animal shelters (Animal Friends of the Valley in Lake Elsinore, Ramona Animal Shelter in San Jacinto...basically, all our animal shelters) are overrun with dogs (and cats) and are having to euthanize some of them to make room. (Very sad!) Often there's a rescue group that's willing to "pull" an animal but they need a foster to keep it until it's adopted OR they need a person to go pick up the dog/cat from the shelter and take it to the foster. If they don't get those two bases covered, that animal may not make it out of the shelter. Please, Spay/Neuter your pets!

Local Transports: To transport dogs/cats from the animal shelters to a foster or rescue group, all it takes on your part is a little time and a little gas! Boy, does it ever feel great to know that you were part of saving a dog's/cat's life! Contact Lina Leslie on Facebook if you're interested in helping in either area. Lina does volunteer transport coordination for shelters and rescues.

Cross Country Transport "Legs": There are several organizations who use volunteers to transport dogs/cats across state lines (free to the receiver). They map out a route from start to finish and divide the trip up into "legs" that are 1 to 1-1/2 hours long. Volunteers sign up to drive a leg (or two) in their area and, when all the legs are filled, the dog is transported over a specific weekend. It's a little like a relay race...you meet someone in a town and transfer the dog and paperwork from car to car to car until it reaches its destination. Most dogs have either been adopted or are going to a rescue in a different state where shelter overpopulation isn't such a problem. One such organization is "Big Rig Animal Transport BRAT". Check them out if you're interested!

Fosters: You can sign up with different rescue groups to volunteer to foster dogs/cats. ("Labradors and Friends" for dogs and "Guardian Angel Rescue" for cats are a couple.) The dog/cat stays at your home, you treat it as your own, love and care for it and teach it proper manners (if needed). The rescue group pays for the veterinarian, any required medications and the food. The dog/cat does NOT belong to you...it is up for adoption. But if you happen to fall in love (like I did), you are first in line to adopt it. Meet sweet Cindy Bear! 11 years old...pulled from shelter a week ago, days before being euthanized. She's a sweetheart and we already love her!

You can also volunteer for events or fundraising with The Rescue World (for cats) at contact@therescueworld.org. These are ways you can help save animals without the responsibility of "owning" them. I've now transported 16 dogs and 1 cat. And I gotta say, it feels GREAT!!!

Saving one dog will not change the world. But for that one dog, the world is forever changed.

THE RECREATION COMMITTEE PRESENTS

By: Jacqueline Heidrick

Hello Fellow Farmers! Do you believe it is fall already?? It just doesn't feel like fall! As my dog and I sat in the gazebo we saw four blue jays, a Crepe Myrtle tree just starting to bloom, and a hummingbird who came right up to my face saying "Fill up my feeder." It was a beautiful morning at The Farm, cool and crisp. Fall was in the air, but nature did not know it. We are so blessed to live here and have committees that entertain us with great food and events so we can meet with neighbors and friends. Please join us for our next special event:

16th Annual Chili Cook Off/Craft Fair: October 21, 2023: If you've never been to this event, please bring the family. The craft sale will begin at 9 am, and the chili tasting contest will be from 12-2 pm. You can vote for the chili you like best. We have wonderful cooks, and it is so hard to choose. You will enjoy all your favorites from mild to spicy hot. The Craft Fair is such a unique and fantastic event: These talented men and women have everything you could want for the holiday season! Last year we saw knit hats and gloves, Christmas decorations, cute jewelry, homemade goodies, funny magnets for the fridge, and dog treats. Great gifts for coworkers and friends! Fun for the whole family!! This is one of the best events of the year.

Turkey Trot Dinner: November 18, 2023: 5 pm social time, 6 pm dinner will be served: Everyone loves a great traditional Thanksgiving dinner. Join us for our annual Turkey Trot dinner because we are one big family at The Farm. During Thanksgiving, we see parades, football, and even a pardoning of a Turkey, but nothing is more important than family and friends. This is the time of year to gather and forget our worries, and visit with those that mean so much to us. Join us for Turkey and all the trimmings. Turkey, potatoes and gravy, yams, stuffing, and of course pumpkin pie. Do not miss this, and sign up early because this is very popular dinner! The ladies and gentlemen of the Recreation Committee are great cooks. Dinner and entertainment, a fun drawing with prizes, and music. Great fun!

Visit with Santa and Tree Lighting Ceremony: December 2nd, 2023: This is co-hosted with our Youth Committee. Children of all ages love this event. Goodies bags and crafts for all the children in The Farm, and a picture with Santa! This is in the planning stage. More about this in the next issue.

All of our dinners start at 5 pm and dinner is served at 6 pm. There is an \$8 donation, children 3-8 are a \$4 donation, children under 3 eat free.

You may bring wine or beer, but no hard liquor please. Please remember it is cash only.

Reservations are necessary since space is limited. Please call Geri Zona at 951-551-1144 for a quick and friendly reservation. Sign up early the first of the month.

**VOLUNTEERS
NEEDED!**

WILDFIRE IS COMING. ARE YOU READY?

Defensible Space is your property's front line defense against wildfire. Creating and maintaining defensible space around your home can dramatically increase your home's chance of surviving a wildfire and improves the safety of firefighters defending your property. 100 feet of defensible space is required by law.*

ONE LESS SPARK
ONE LESS WILDFIRE

*For more information on creating defensible space and legal requirements visit

READYFORWILDFIRE.ORG

TWO ZONES MAKE UP THE REQUIRED 100 FEET OF DEFENSIBLE SPACE:

ZONE 1: 30 feet of Lean, Clean & Green

- 1 Remove all dead plants, grass and weeds.
- 2 Remove dead or dry leaves and pine needles from your yard, roof and rain gutters.
- 3 Keep tree branches 10 feet away from your chimney and other trees.

ZONE 2: 30-100 feet of Reduced Fuel

- 4 Cut or mow annual grass down to a maximum height of 4 inches.
- 5 Create horizontal spacing between shrubs and trees.
- 6 Create vertical spacing between grass, shrubs and trees.

Use Equipment Properly to Keep from Sparking a Wildfire

- 7 Mow before 10 a.m., and never on a hot or windy day. String trimmers are a safer option (vs. lawnmowers) for clearing vegetation.

VERTICAL SPACING

Large trees do not have to be cut and removed as long as all of the plants beneath them are removed. This eliminates a vertical "fire ladder."

HORIZONTAL SPACING

Create horizontal and vertical spacing between plants, the amount of spacing will depend on how steep the slope is and the size of the plants.

@ Millers' Mill

OUR BLOOD BANKS ARE EXPERIENCING A SEVERE SHORTAGE OF BLOOD! PLEASE HELP!

Here are some quick ways to help make your donation successful:

Eat Up!

Iron and Vitamin C: Combining foods rich in iron and Vitamin C will boost your body's strength. Think green veggies and citrus fruits.

Salty snacks: A healthy amount of salty snacks can help make your next blood donation a positive experience and ensure that your gift will be put to use helping save one or more lives! Pretzels, anyone?

But don't skip meals: Think of blood donation as a normal part of your day. Don't skip or add meals to your normal routine. Just add in some healthy snacks.

Drink Up!

Hydration is important before and after your donation. When you donate blood, you give a pint of blood at a time and almost half of this is water. The more water you drink the easier your blood moves through your body and the quicker you can replace the pint you gave!

Get Moving!

In the moments before and during your donation do some simple flexing or tension exercises. Start with your toes and work your way up by tensing the muscles in your arms, legs or core for a few seconds, then relax. These simple moves will keep your blood moving for a relaxing donation! **Now you are ready to be a lifesaver!**

You can donate if:

You have tattoos and piercings

You've had recent vaccinations/immunizations

You have Heart and Lung issues or a Pacemaker

Things that may disqualify you from donating:

Currently sick (in the last 48 hours) or around people with COVID-19 (last 10 days)

Low iron

Currently Pregnant

Extremely low (90/50) or high (180/100) blood pressure

Currently have any form of cancer

Whole Blood Donors (takes about 1 hour):

Can donate every 8 weeks. Volunteers must be at least 15 years old (no maximum age), weigh at least 110 pounds and be in general good health.

Apheresis (Double) Donors (takes about 1-1/2 hours):

This process collects whole blood and isolates double red cells, platelets and plasma, then returns the remaining components (along with a saline solution) back to the donor.

Blood Donation For Teenagers:

Our young donors are vitally important to the future of blood donation. All **15- and 16-year-olds** require parental consent prior to donating. Studies have shown blood donation to be safe for our youngest "heroes," and LifeStream wants to ensure their continued health and well-being.

Did you know? With LifeStream *ExpressPass* you can speed up your donation process by completing the required pre-donation reading and health history questions *before* arriving at the donation site (must be done the day of donation-not before). Go to Lstream.org to fill out your ExpressPass.

MEDICAL EQUIPMENT

By: Beverly Bakeman

Please remember that we have medical equipment available for our Farmers to use free of charge. If you have a broken ankle, a sprain, or are just out of the hospital and are weak, call Beverly at 951-244-1863. No donations are needed at this time.

EXERCISE GROUP

By: Eva and Eileen

Want to jumpstart your day with a quick, effective, morning work out? This group has been meeting for eight years at Millers' Mill.

It is a half hour video-led program with optional light weights. It goes by so quickly, and everyone feels terrific afterward! Join us at 7:15 - 7:45 a.m. on Monday through Thursday. We have a spot for you to join this happy group.

ATTENTION QUILTERS

By: Beverly Bakeman

Do you quilt all by yourself? Why don't you join us ladies on Tuesday mornings from 9 a.m. to 1 p.m..

We bring our machines and have a great set up at Millers' Mill. We would love to increase our group. So stop by and check us out.

CORNHOLE

By: Paul Bakeman

Attention Cornhole Enthusiasts, I am currently looking for Farmers who would love to enjoy friendly competitive weekly game of Cornhole. Maybe turn into a club to compete with other Cornhole clubs? There has been interest among some Farmers, and I am looking for more.

If you're interested, we can meet at the picnic area by Pool One on Farm Road at 10 am on Saturdays. I will bring my Cornhole boards, and if you have one please bring it too. Hope to see y'all there!
