## Board of Directors' Message

Dear Fellow Farmers,

The month of November is full of activities. Saturday, November 10th is jam-packed with three events; the Farmers' Market and Craft Fair, the Crime Watch Meeting and Greet with guest speakers from Social Work Action Group (SWAG), and the Star Gazing event. Saturday, November 17th is the Turkey Trot Dinner. Be sure to sign up at the Farm Barn. Last but not least, Monday, November 19th is Storytime at the Farm Barn. Please support your committees by attending the events.

Veterans Day is a holiday to honor all who have served in the United States Military Services. In observance of Veterans Day, the office will be closed Monday, November 12th. Please take a moment to thank those who fought for our freedom.

At this time of Thanksgiving, we pause to count our blessings. The freedom of this great country in which we live is an opportunity for achievement. For all of these things we are deeply thankful. Our best wishes for a happy Thanksgiving. The office will be closed Thursday, November 22nd and Friday, November 23rd.

There has been some outgoing mail stolen out of personal mailboxes recently as in the past. You may want to use the blue Postal collection box in front of the Barn or drop your outgoing mail off at the Wildomar Post Office on Mission Trail. Check incoming mail each day as soon as possible. Hopefully, without much opportunity available for the thieves, they will move on.

The Farm Board of Directors – Mike Sayegh, President; Dave Kentish, Vice President; Cathy Neubauer, Corp. Secretary; Gerrit Brands, Treasurer; Paul Bakeman, Director; Morgan Dulak, Director; and Mary Haire, Director

**PICKLEBALLERS AT THE FARM**

By Nancy and David Gerletti

The recreational Pickleball group at The Farm plays every Tuesday evening from 6-8:00 p.m. The group has grown to about 12 regular players! On Saturday, November 3rd the group plans to attend the National Pickleball Championships at Indian Wells Tennis Center. The tournament runs for eight days from Nov. 3-11. The Indian Wells Tennis Center signed a five year contract to host the National Pickleball Championships. The Farm pickleball players are excited to see the best players in the nation, from junior all the way to senior level, play this fast growing racquet sport!

A few of the pickleball players at The Farm also play at other facilities in Menifee and Murrieta so that they can play with others who enjoy the sport. The Farm group is co-ed on Tuesday evening, but recently the ladies have started playing on Thursday nights at 6 p.m. at the Farm Barn tennis court. The Farm pickleball group welcomes anyone who wants to learn the game of pickleball. Come down to the tennis court and join us! It's a fast and fun game!

**NOVEMBER'S "HOUSE OF THE MONTH"**

By Garrett Rodriguez, ACC Admin. Asst.  
34472 The Farm Road

In order to stay close to family, Roger and Beth Kramer made the choice to move to The Farm in July of 2015. They wanted something that could be their forever home; a smaller home that could be easily maintained but also something they wouldn't outgrow. Since owning the home, the Kramer's have made substantial home improvement changes. They added new fencing, paint, drought tolerant plants, rock ground cover, and water catchment tanks.

The Kramer's say "there is no comparison" in regard to living in The Farm. One of the many reasons why they love living here is because they recognize how many people within the community share a common interest with the goal of making The Farm a great place to live...there's a little something for everyone to enjoy. They appreciate the involvement of our neighborhood clubs and committees that make it all possible. The Kramer's specified that the word "community", by definition, is precisely what The Farm represents.

In consideration of the foregoing, the Architectural committee would like to congratulate The Kramer family for winning November's "House of the Month" Award!

## Farm Residents – What you need to know

Instead of yelling at them, or giving them a handout, let's get educated on homelessness and how you can be a part of the solution.

### Our Mission:

Social Work Action Group's (SWAG) mission is to advocate, educate and inspire marginalized individuals and families in the Inland Empire to achieve sustainable independence through community support.

### Our Vision:

Restoring humanity, one person at a time.

### Our Core Principles:

1. Serving Humanity
2. Innovation
3. Accountability
4. Responsibility
5. Community Involvement

[www.theswag.org](http://www.theswag.org)

Current statistics on unsheltered chronically homeless individuals inaccurately captures the prevalence of mental health and substance abuse--this is why we are working on a true and accurate census with institutions of higher learning to better capture the data.

### Homeless Street Outreach

SWAG searches out and finds those most vulnerable in our communities that are living on the streets; in lake and river-bottoms, trash enclosures, vehicles etc. We work to rebuild the individual's self-worth and desire to obtain a basic right we all deserve- a safe place to live

Addressing the whole person; emotional, mental, physical and spiritual. Providing services tailored to meet the individual's unique needs to ultimately achieve self-sufficiency and a greater sense of happiness.

House of the Month for September went to the Bradley Family on Tractor Trail.

**Community Garden**

Beth Kramer reported for the Garden Committee. Well, Fall is coming in a week or so by our calendars, and although we didn't have a meeting in August, September is going to be busy. The Garden Committee will have our next meeting on September 17<sup>th</sup>. We will be discussing the final preparations for our guest speaker and open house that will be on September 22<sup>nd</sup> at 10:00 a.m. There will be coffee, lemonade, snacks and bottled water from the Farm Mutual Water Com. Come on down and learn how to make the most out of your fall garden. The Master Gardeners are a great informational resource for the local climate. We also will be discussing the Chili Cook-Off as well as future plans for the next year's planting of the communal committee gardens. We will be discussing plans for planting, incorporating a walkway, weed management, as well as new ideas for help to conserve water as the rabbits and other wildlife have

been very active in disconnecting our sprinkler heads this year. We still have a couple vacant plots and we will be contacting residents with plots that have not planted in a long time to follow up with them.

### **Coffee Klatsch**

Cliff Vosburg reported for Coffee Klatsch. We have decided to down-size. Beginning Monday, October 1<sup>st</sup>, 2018 at the Barn from 9:15-10:15 a.m. Coffee Klatsch will be the first Monday of the month. Please bring treats, savory or sweet. Coffee and tea are free. We hope to see you all soon.

All members in attendance at the Crime Watch Committee meeting were given a copy of the draft P&P's for review and asked for suggestions and to return them to the next meeting. A copy was given to the Board also. Members were asked to bring logo ideas for the Crime Watch car to the next meeting to vote on.

The Crime Watch Committee will be entering the Chili Cook-Off. The theme is Honey Bear.

### **Recreation Committee**

If you are looking for yummy pizza stop by My Buddies Pizza and tell them the Farm Recreation Committee says hello. Thank you for supporting our committee.

Please remember to sign up prior to the event at the Barn. If you are unable to sign up do to working conflicts, please feel free to call either Shirley at 206-947-0265 or me at 951-723-0883. We will be glad to assist you.

This Saturday's event is our Harvest Gold Dinner with sloppy joes, corn on the cob, salad and apple pie. This is another fun evening with Farm friends at a great place to make new friends.

October is a very special month for the Recreation Committee as we not only sponsor our annual Community Garage Sale which is at your home but our annual Chili Cook-Off. I think we have the best chili cooks hands down. We have one of our newest members Olaf hosting a chili booth for the Recreation Committee. I'm sure this will be a major competitor. We still have room for more chili cook booths. The crafters are about full inside Millers' Mill but there is room outside. There are such amazing crafters this year. You are going to want to do some of your Christmas shopping. There will be a few hot dogs on the barbecue selling for \$1 and free water donated by The Farm Mutual Water Co. Hope to see you at one of our wonderful events.

### **Welcome Committee**

Nothing to report.

### **Youth Committee**

Susie Watters reported for the Youth Committee. Karaoke was Friday, September 7<sup>th</sup>. This was a free event. We had about 50 people attend our Karaoke night at Millers' Mill. The kids and adults had a blast belting out their favorite hits! There was a free drawing where six gifts were awarded and the kids were so excited to win them. Thank you to Linda Jones. Our karaoke DJ, Liz with voice-activated karaoke was so good with the kids. She made the night a ton of fun. A big thank you goes to Kenny Walsh with Kenny's biscotti for his generous donation towards the DJ. The Youth Committee sponsored a snack bar which was quite successful. Water was provided free by the Farm Mutual Water Co. A big thanks you goes to everyone who made this event fun and successful.

### **FERT Committee**

Dave Kentish reported for the FERT Committee. The blood drive will be held on Saturday, September 15<sup>th</sup> at the Farm Barn library. Sixteen-year-olds are okay.

Since the Farm Emergency Response Team inception August of 2017, we report the following to the Board; in the combined areas of operations, logistics, planning and administrative the following are approximate numbers to date with focus on the following critical areas: Administrative Team Leadership, currently operating at 100% (no change); Block Captains, currently operating at approximately 20% (up from 10%); Medical Supplies, currently operating at approximately 4% (no change); Search and Rescue equipment at approximately 5% (no change); Security equipment at approximately 5% (no change); Food Storage at approximately 5% (up from 3%) with food donating to Food Drive in December.

The FERT Operations Building is fully operational with the new generator in place. Communications are running at 95% (no change). These numbers are based on approximate residents of the community, and the number of residents not prepared, based on the surveys taken from all our recruiting events; approximately 3,000 residents with one-third needing some form of assistance.

To date, we currently have in reserve approximately \$980 after expenses for supplies. These funds come from donations, emergency bucket sales, and a Go Fund Me account. These funds were allocated to the above sections in need for basic emergency supplies to be stored within the Farm Community, specifically for the FERT team.

Our next scheduled drill for block captains is September 19<sup>th</sup> from 6:00 to 8:00 p.m. at the EOC. The focus is the set-up of the EOC and training of block captains.

This list is a good reminder and may help you avoid getting letters and fines. If you do receive a letter of non-compliance, make sure to correct the problem by the deadline, and communicate with the office staff Garrett with any questions or concerns. I thank the ACC Committee members for volunteering their time to help keep our property values high by making sure our neighborhood looks great.

The Youth Committee has completed their budget for 2019 and has planned some new fun events, as well as kept some favorites from years past. This past weekend, the Youth Committee hosted a Family Karaoke Night, which was a fun night of singing and dancing. Keep an eye out on Facebook and in next month's Gazette for pictures. The committee is currently hard at work planning this year's Trunk or Treat & Monster Mash for Halloween. We will have a booth at the Chili Cook-Off so be sure to stop by! The Youth Committee meets next Thursday at 6:30 p.m. at the Farm Barn. We are always grateful for more volunteers including teens. ## RECREATION COMMITTEE

By Jacqueline Meers-Heidrick

Harvest Gold Dinner Review: Saturday, September 15, 2018: what a fun evening! Beautiful Fall decorations created by David and Earlene and a wonderful meal with Sloppy Joes, harvest corn on the cob, and apple pie. Everything was delicious. We had a fun game of Bingo with prizes for our lucky winners.

As we come to the end of the year, we must thank our amazing leaders, Eileen and Shirley, and our hard working team of committee members, cooks, hosts, servers, runners, decoration team and clean up staff. Especially our Farmers who attend these fun, well-planned dinners. Thank you for making our events a great success.

Community Garage Sale: Saturday, October 7, 2018 Although the sun did not come out all day, there were still many Farmers buying and selling items. We saw furniture, pictures, bake items, and crafts. It is always fun driving around the neighborhood and finding treasures.

Turkey Trot Dinner: Saturday, November 17, 2018: This dinner is an annual favorite. Turkey with all the fixin's. A full Thanksgiving dinner for a \$6 donation. Turkey, mashed potatoes, stuffing, gravy, plus green beans, cranberries and pumpkin pie, all cooked by our talented Recreation Committee. This is a very popular dinner so please sign up early.

Visit with Santa: Saturday, December 1, 2018: Cookies, cider and cocoa will be served. This event is so endearing to watch the children visit with Santa and then come up to the counter for refreshments. They are so well behaved and polite. They know Santa is watching! The time is 3-5:00 p.m.

Tree Lighting Ceremony: Saturday, December 1, 2018: This event is a sight to behold. When the lights go on in our beautiful Memorial Garden the beauty is breathtaking. Please join us for a very festive day. A great way to start the Christmas season. Time is 5:15 p.m.

Social time for our dinners is 5:00 p.m. and dinner is served at 5:30 p.m. Sign up sheet is located in the Barn office. The sign up sheet is available the first day of the month and taken down the Tuesday before the event. There is a \$6 donation and kids under eight eat free. You may bring beer and wine but no hard liquor, please.

SPACE IS LIMITED SO PLEASE SIGN UP EARLY. Signing up for our dinner events is necessary as we must know how many people to serve, and space is limited. Please let us know if you cannot attend a dinner. Thank you for your cooperation.

Happy Thanksgiving to all our Farmers. We must thank our forefathers for this bountiful celebration.

"YUMMY FOR THE TUMMY"

## Easy Pumpkin Gingerbread

Submitted by Jane Merrow

Turn oven to 325 F. Mist a loaf pan with cooking spray & flour lightly

1 pkg. (14.5 oz.) Gingerbread mix

1 cup Pumpkin puree ( ½ of a 15 oz. can)

2 large eggs

¼ cup warm water

½ cup golden raisins

Place all ingredients except raisins, in a large mixing bowl and beat with an electric mixer on low speed for 30 seconds. Stop and scrape down bowl, increase mixer speed to medium and beat 1 minute longer. The batter should be well combined, fold in raisins. Pour batter into prepared loaf pan.

Bake until it springs back when lightly pressed with a finger, 45 to 47 minutes.

Cool 15 minutes. Run a knife around the edges of the pan and remove it.

Place the loaf on its side on the rack and cool completely.

Enjoy!

**OUR LAWN MOWER BROKE,  
WHAT COULD I DO?**

Submitted by Norma Suchand

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But, somehow I always had something else to take care of first, the truck, the car, playing golf - always something more important to me.

Finally, she thought of a clever way to make her point.

When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house.

I was gone only a minute, and when I came out again I handed her a toothbrush.

I said, "When you finish cutting the grass, you might as well sweep the driveway."

The doctors say I will walk again, but I will always have a limp.

**COWBOY'S CANINE**

Submitted by Norma Suchand

A cowboy was walking down the street with his new pet dachshund. The passerby asked him why a cowboy would own that kind of dog.

The cowboy answered, "Well, somebody told me to get along little doggie."

## Architectural Control Committee Message:

All architectural change applications must be submitted to The Farm Office by Friday, November 2<sup>nd</sup> or Friday, November 16<sup>th</sup>

### \*Trash Can Reminder\*

**\*Due to the high amount of trash can violations that occurred during our last inspection, please read and adhere to the timeline below.**

ACC Rule 6.4: Trash containers may be placed on the street after 5:00 P.M. the day before trash pickup. Containers need to be removed from the street no later than 9:00 A.M. the following day. All trash/garage containers must be screened from street view on days other than trash pickup.

### *Is your American flag torn/tattered?*

If so, the architectural committee would like to kindly ask residents to replace their old withered flags with new ones and properly dispose of your old flag by taking it to the American Legion, Post 200 in Lake Elsinore. From there it will be properly stored until the next disposal ceremony held by the Boy Scouts of America.

## Bark Beetle Forecast for Southern California 2018

### **BE ON THE LOOKOUT!**

As I'm sure most of you are aware, our geographical location is surrounded by various forests such as the Cleveland and San Bernardino National Forest. All of these forests are in fact experiencing the repercussions of Bark Beetle infestations. A Bark Beetle is a small wood-boring beetle that tunnels under the bark of trees, which die if heavily infested. Normally these beetles will inhabit dead trees, however, they can infest trees that are weakened because of the lack of water they receive.

This year, The Farm's Architectural Control Administrator has received numerous reports regarding the death of trees caused by bark beetles here in The Farm. If you have a dead or dying tree, please look for the signs of a bark beetle infestation. If you determine that your tree is infested, then please cut down the tree and haul it away ASAP.

### These are the signs to look out for:

- White or reddish-brown or orange sap-like substance on the outside of the bark.
- If the Pitch tube is reddish brown or even orange-yellow, most likely the beetle was successful in attacking the tree.

#### Types of trees that Bark Beetles attack:

cedar, fir, pine, spruce trees.

#### Less Common Trees:

arborvitae, cypress, elm, fruit, larch and redwood trees.

- The needles on pines, begin to turn a reddish-brown color. Often the change begins at the top of the trees and moves down.
- A white pitch tube means the beetle was successfully repelled by the tree.

## **MARY JO KEITH**

April 23, 1934 - September 11, 2018

By Norma Suchand

My friend, Jo, passed away unexpectedly on September 11, 2018. We had been friends for 40 years and she recently asked me if we'd ever had a serious quarrel. I had to think all of 30 seconds before answering her with no.

Jo did not have an especially easy life, but somehow always bounced back. She married at 15 and had her first child at 17. She left her husband in Georgia in 1960 with four young children and moved to California. After a time she met and married Johnny, the love of her life, had another child and was extremely happy. But tragedy came in 1975 when Johnny died in a boating accident.

Depression took over until a friend insisted she have a girls' night out. She was fortunate on one of those "girls' nights" to meet Jack who swept her off her feet. Jack had been a close friend of Red's and mine for several years. He brought Jo to our house for us to meet her. Thus began a 40-year relationship for Jo and me and years of fun for the four of us.

After Jo and Jack married, they joined our traveling trailer club group of eight couples meeting one weekend a month. Jo always said she was glad she got connected with this crazy party-loving group!

Red and I moved to The Farm in 1989 and Jack and Jo soon followed. We continued going on cruises together or with a group. We even shared a tiny stateroom once which proved to be the most hilarious cruise ever! Jack and Red loved Las Vegas so Jo and I got dragged along whenever the guys wanted to go. We once took a 2-month trip with another couple traveling cross country in our trailers.

Those good times ended when Jack passed away in 1997 just as they were getting ready to celebrate their 20th anniversary. Another tragedy came in 2016 when her youngest daughter passed away.

Nobody ever cared for her family as much as Jo. She loved totally her five children, thought the world of her eight grandchildren and was the perfect grandmother to all eight.

Rest in peace, my friend.

Following the demise of the Farm Development Company's Maintenance effort earlier in the year, August came around, and the FPOA formed its own maintenance crew to do the work. The Association bought a ride-around lawn mower, a chipper, a light weight truck and a Kubota Tractor to work in the groves. This was a first step in getting the Association in full control of the development.

During the previous seven years, the Board had accumulated close to \$60,000.00 in the reserve account and the Board committed to spending it on the rehab of the two pools of the time, the lake area, the water wheel and shuffle board courts, however the CPO continued to be dissatisfied.

On the 4th of May, 1985, the Eighth (8) Annual Meeting was held at The Farm Barn with the usual decorum. The first order of business was to introduce the newly hired Attorney, Elliot Luchs followed by thanking the Election Committee for their outstanding job. Someone had called the fire department complaining that there were too many people in the Farm Barn. After the fire department found no violation the meeting continued with the introduction of candidates (5). The quorum was 400 at that time. [Reason for five, being that three were term ending replacements, and two were ratification of two former members who stepped up to replace two others that had not completed their terms, but who recently had resigned.]

In this year, they not only had a Nominating Committee that spent at least an hour interviewing each candidate in addition to the Election Committee but also a Proxy Committee. Incidentally, one of the reasons for some resignations was that two Board members wanted to personally interview these three applicants again. This was for election in 1986, so when they didn't get their way they resigned.

In my opinion, an unfounded cause for a resignation over such an issue. Again, the electorate was asked if they would accept the annual assessment of \$16.20

In September, the Board felt that our governing documents needed to be reviewed to more favorably represent a planned development such as The Farm. A resident wrote a letter back saying that she would like to volunteer to review the FPOA CC&Rs, and she agreed to be the chairperson of such a committee. The subject was an item on the Board agenda and approved, however, she never was heard from with any input, and the Board took action to appoint a new chairperson to continue with an effort to do both the By Laws and the CC&Rs. "Enuff", so much for the conclusion of 1985. More next month.

## CONSTITUTION CORNER

By Ed Mitchell

Daniel Webster during the early years of our country under the U.S. Constitution said, "Hold on, my friends, to the Constitution and to the Republic for which it stands. Miracles do not cluster, and what has happened once in 6,000 years, may not happen again. Hold on to the Constitution, because if the American Constitution should fail, there will be anarchy throughout the world."

In Congress, July 4, 1776 - The unanimous Declaration of the thirteen united States of America. When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection

of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

The Signing of the United States Constitution occurred on September 17, 1787

**FARM BARN YOUTH RACQUET CLUB**  
 by David Gerletti

On September 28th, the 6th annual Farm Barn Youth Racquet Club ended after two intense weeks of skill development. Eleven boys and girls participated in tennis and pickleball this year. Both boys and girls learned such skills as forehand, backhand, volley and “little man” serve for tennis and “the dink”, passing shots and serve for pickleball.

Many parents enjoyed seeing their children participate from the pool deck above the tennis court. Certificates of Achievement and special treats were given to each child for their participation. I really appreciated the parents bringing their children on time each day especially since it was an intense two weeks. Also, I would like to thank all the parents and children who got together to give me two great gift certificates and a thoughtful card. So to all the youth out there on The Farm, get out there and practice and don't forget to turn in your HOMEWORK!
