COFFEE KLATSCH
Monday, November 4th
By Jan MacKenzie

It was a beautiful morning, not hot, not cold, wow that's new, maybe it was putting the clocks back that made it perfect.

The group at coffee this morning was very happy too. We had some great snacks and some good conversation. It was wonderful to meet new homeowner Andrea and her two terrific children. She homeschools, so we met two youngsters, which is a nice change.

Do come and join us for coffee, and whatever treats are on-hand. We are a very casual, friendly group and you are always welcome.

Our new friend Andrea signed herself and family up for the Turkey Trot, and found out all about the plans for Christmas for the children. Hope to see you soon, first Monday of every month at 9:15 a.m. at the Barn.

RV SPACE UPDATES

By Kerri Haynes, ACC Admin. Assistant

Please make sure that all the recreational vehicles such as motor homes, boats, jet skis, all-terrain vehicles, all-terrain cycles, dirt bikes and/or trailers that are currently in an RV space have updated registration and insurance in their file. Phone calls have been made to those who still need to bring in current paperwork to the Farm Office. Also, if you no longer have the original recreational vehicle in the RV space (it's been sold or you've moved something else in the space) please update the office with this new information along with the current registration and insurance. The registration for all recreational vehicles has to have your Farm address.

For those of you who have RV Spaces or are on the wait list for an RV space, please regularly update The Farm Barn with phone numbers and/or email addresses. Should they change, we are able to get in touch with you, especially for those on the wait list so that you can be assured we will reach you when a space opens up.

If you have any questions, please contact Kerri Haynes, ACC Admin. Assistant at the Farm Office (951) 244-3719

COMMITTEE REPORTS

ACC Committee

Gayl Taylor presented the October House of the Month certificate and photo to the Zaddock family.

Coffee Klatsch

Beth Kramer reported for Cliff Vosburg. Coffee Klatsch is the first Monday of every month beginning at 9:15 a.m. at the Farm Barn.

Community Garden

The Community Garden report will be under the liaison report.

Crime Watch Committee

Beth Kramer reported for Crime Watch. Good evening, the month of September we had 14 patrols in the month for a total of 67 volunteer hours. Those volunteers drove a total of 239 miles. With service mileage, a total of 272 miles were put on the car. Our expenses for the month were reviewed at our last meeting. Of the 24 police reports that had been filed in our neighborhood between our August and September meeting, 10 happened in the evening hours between 6:00 p.m. and 6:00 a.m. We discussed the upcoming Chili Cook-Off, Roger Kramer will be making the chili this year and attending the trunk or treat. Janice Oraluski has been approved as an observer. Co-chair Jan MacKenzie has been approved to be a driver. Both will begin their training this month. We look forward to seeing them out on patrols.

Our next Meet & Greet will be Saturday at the Farm Barn. Mike Leonardi will be speaking about Awareness and Observation. Get tips and tricks to keep your self safe, learn how to be more observant, and what situations to avoid. We are in dire need of Drivers, Observers, and a Secretary. All we ask for is a few hours a month. Our next meeting is October 27 at 7 p.m. at Millers' Mill.

FERT Committee

Katy reported for the FERT Committee. The Farm Emergency Response Team (FERT) reports the following: Administration at no change. We are at 100%. All Emergency ribbons have been distributed throughout the community. If someone needs them or lost theirs, contact Susie, Bree or Katy. Our next blood drive is Saturday, November 9th from 9:00 a.m. to 2:00 p.m. There will be a barbecue and a health fair. FERT team will have a booth at the Chili Cook-Off on Saturday, October 19. We will have a display set up and emergency buckets for sale. FERT is setting up CERT training for those who wish to get involved in the community. Contact Susie for more information.

Recreation Committee

Jan MacKenzie reported for the Recreation Committee. The holiday season is just around the corner. This is the busiest time of the year for our Recreation team. September's event, Las Vegas Night was a success, and our entertainment Eddie was a big favorite. The event was well attended, as are most of our winter events. The next one is, of course, the Chili Cook-Off. We always have a great turn-out from the Farm residents and some top-notch chili. The local firefighters from Station 68 will be here to give us "Firefighter's Choice", and you are all invited to vote for your favorite booth also.

November brings us the Turkey Trot, our Thanksgiving Dinner. This is one of our most popular events, always well-attended meals of the year. We are limiting seating to 100 this year, as we are having entertainment. Easy listening music while we eat and celebrate our neighbors and friends. Easy Eddie is back by popular choice. Our committee has been very diligent in staying under budget, while still attempting to bring you some fun-filled evenings with friends. We really are fortunate to have such a great facility as the Mill to hold our get-togethers in, and I am always amazed that more people don't sign up for these events. We are all getting older, and with that, a little creakier, and the committee would love new input and energy from our younger homeowners. Some strong men would be great to help us! Thank you, and keep on setting aside time to relax with your neighbors.

Welcome Committee

The Welcome Committee report will be available next month.

Youth Committee

Susie Watters reported for the Youth Committee. **Prior Events:** E-Waste – October 6: Our neighbors showed such great support for the Youth Committee by donating their TV's, computers, laptops, etc. to our E-Waste fundraiser! Thank you for being such a wonderful community!

UPCOMING EVENTS:

Trunk or Treat and a Movie: FRIDAY, October 25 at 6 p.m. at Millers' Mill (FREE event) This is a Friday night event. Come decorate your trunks at 5 p.m. and join our contest! There will be prizes awarded for scariest, funniest and best overall trunk at 7:15 p.m. After the contest at 7:30 p.m., we will be showing Hotel Transylvania (the first one) inside Millers' Mill. FREE popcorn, cuties, and water. We hope you can join us!

Family Bingo Night: Saturday, November 23 from 6:30-8:00 p.m. at Millers' Mill. (FREE event) Spend an evening playing a B-I-N-G-O with your kids in a community atmosphere! We will have light snacks and water.

Santa's Visit: Saturday, December 7 from 3-5:00 p.m. at Millers' Mill. (FREE Event) This is a joint event with the Recreation Committee. Come meet Santa and take your child's picture with him! They can write letters to Santa, send Christmas cards to our Troops and decorate their own Christmas ornament. Cookies, hot chocolate, and apple cider will be served. After that, stay and watch The Farm Christmas Tree lighting!

Our next Youth Committee meeting is next Thursday, October 17 at 6:30 p.m. at the Farm Barn Library.

DIRECTOR REPORTS

Dave Kentish-President/Liaison to FERT

Dave reported FERT is continuing to do what we can with the parameters given to us. We are closing out the 2019 budget and looking forward to 2020. Ribbons were handed out to all the homes. A big thank you to Katy, Susie, and Cathy. We are doing what we can in preparation for natural disasters that might come.

Cathy Neubauer-Vice President/Liaison to Youth Committee

Cathy reported the Youth Committee members are trying new ideas for 2020. We are looking into family events not just for kids.

Mary Haire-Corporate Secretary/Liaison to Gazette Committee

Mary reported there will be no second executive meeting for November and December. The Request for Annual Notice of Address, Representative and Rental Status has been mailed to all homeowners. If you have any information that needs to be updated, please return the form to the office.

A big thank you to Coach "G" for volunteering his time to show kids ages 7-13 years old the game of tennis and pickleball.

November's Gazette cover will feature Youth Committee's Family Bingo Night, Recreation's Turkey Trot Dinner, FERT's Blood Drive and Garden's Open House.

In order to stay within budget, the Gazette Committee solicited 28 local businesses for advertising recently. The responses from business owners were positive, and hopefully, we will have a few advertisements. All routes are covered and the volunteers are doing a great job delivering the Gazettes quickly, in order to help spread the word about upcoming Farm events.

Eileen San Giovanni-Treasurer/Liaison to Recreation Committee

Our Accounting Manager Debbie Myers has done an excellent job on our 2020 budget. With much crunching of numbers, input from the Board of Directors and the Maintenance Manager Vince, we are pleased to announce no increase of the dues! Our dues will continue to be \$68 per month. The mailing of this budget will be going out to all homeowners in November. Our accounting staff is always willing to assist the residents in any way regarding their dues. Please feel free to call either Debbie Myers or Melissa Banwart at any time.

Our Community Yard Sale was a great success! Great turn out of not only participation but buys. We had very good feedback regarding our new banners. Thank you to Beth for all of the internet advertising.

Our 15th Annual Chili Cook-Off and Craft Fair will be on Saturday, October 19 from 12-3:00 p.m. We are still hoping for more chili cooks! The deadline is Tuesday, October 15. Turn in your application to Denice at the Barn. The Recreation team will have some fun prizes and we know we have the best cooks. Hope to see you all there.

Our last dinner of the year is our Turkey Trot with all the traditional Thanksgiving fixings, one of our most popular dinners. And by popular demand, we will be having Eddie Legaspi entertaining us with his wonderful easy listening voice. Sign-ups are at the Barn starting on the 1st of November. Our last event of the year is our Visit with Santa! It's going to be extra special. I need to correct the dates of decorating Millers' Mill to Monday, December 2 from 9:00 a.m. to 12:00 p.m. and Tuesday, December 3 from 9:00 a.m. to 12:00 p.m. and 6-7:00 p.m. If you enjoy decorating and want to join us, we would love the extra hands decorating! All are welcome. Remember, Christmas season is for all ages!

Morgan Dulak-Director/Liaison to Community Garden and Welcome Committee

Morgan reported for the Garden Committee. There are three spaces available. Saturday, November 2 is the Fall Open House event at the Community Garden. Our next meeting is Monday, November 18 at the Farm Barn at 6:00 p.m.

Paul Bakeman-Director/Liaison to RV and ACC Committee

RV3 spots are filled. We have 2-10' spaces available and 2-20' spaces available in RV1.

George Taylor-Director/Liaison to Crime Watch Committee and Maintenance

George reported maintenance projects in progress are the generator activation and then ready for final inspection. The handrails and sidewalk from Millers' Mill to the tot lot and basketball court are a work in progress. With the near future projects are razor wire and mesh wire at RV2, boulders and cactus as necessary, community garden interior fence, and RV2 metal pole installation. Major work set for pool 1 beginning in November, road grade at the Community Garden access road, windmill tower, and small shed to be painted on the Main Pond island.

CHILI COOK OFF 2019

By Jan MacKenzie

I want to thank K.C. Arnao for filming the day and posting it on Facebook. It just shows all the work involved. This year was amazing, after a slow start. We ended with plenty of chili booths and some fabulous crafters.

Once again it was a warm day, but that didn't stop anyone from having fun. I particularly enjoyed seeing second generations coming to help parents man their booths.

I had a great time fixing baskets of prizes, and tried to make a variety of different themes that everyone could enjoy. The firemen, bless them, stayed quite a while, enjoyed tasting chili, and visiting with the neighbors. We love Engine Station 68, always ready to help us! Booths as usual were dressed to the nines and gave people lots of smiles, and great chili.

I personally want to thank all my helpers. I appreciate all of them, and hope next year our chili cookers will come forward early, because it makes the job of planning a successful event so much easier. Thank you again. Here are the winners and categories.

RECREATION COMMITTEE

By Jacqueline Meers Heidrick

Chili Cook off review-Saturday, October 19, 2019: What a fun day of tasting chili and buying crafts. All our contestants made wonderful chili, but there can only be a few winners. The Community Garden grew pumpkins for a contest. There were also three great Farmers who always serve with integrity: The Gordon Cox Lifetime Achievement Award went to John King, Farmer of the Year went to Beth Kramer, and Humanitarian Award went to Susie Watters. All three of these dedicated leaders make The Farm a great place to live. Thank you for all your hard work and dedication. We would all like to thank the participants of the Craft Fair. We saw beautiful jewelry, knitted items, holiday baskets, and much more.

Hop Aboard the Polar Express, Visit with Santa, and Tree Lighting Ceremony: Saturday, December 7, 2019: What a genius idea! All Aboard the Polar Express in your pajamas. How fun is that! Hot cider, cookies and hot chocolate. This annual event is hosted by the Recreation and Youth Committees. The Little Farmers can decorate an ornament, write a letter to Santa, or send a card to the military. It is a sight to behold to see the look on the little ones faces when they visit Santa. The Tree Lighting Ceremony will follow, and the Gordon Cox recipient, John King will flip the switch. This is magical to watch for young and old. Please join us for this fun family event.

We cannot believe it is the end of the year. Congratulations to all our Committees and award recipients for another successful year. A happy holiday season and a Happy New Year! Special thanks to all our volunteers who make our community a great place to live. Many of our Farmers have lived here thirty-plus years. This shows a great sense of community.

Preview Next Year 2020:

Soup Dinner, Saturday, January 18, 2020: Tasty soups, salad and apple pie.

Oscar Night, Saturday, February 15, 2020: Lasagna, garlic bread and popcorn to top off the night.

More about next year's dinners in our next issue.

Social time for dinner events is 5:00 p.m. and dinner is served at 5:30 p.m. The sign up sheet is located in the Farm lobby the first Monday of the month and taken down the Wednesday before the event. There is a \$6 donation and children under eight eat free. Reservations are necessary in order to know how many people will attend, and space is limited. Exact change is appreciated. You may bring beer and wine, but no hard liquor please.

Well, it is that wonderful time of the year to enjoy all the Christmas magic. At our Farm Barn, the snow village and tree are up for your enjoyment. We hope you enjoy the holidays and may you have a Very Merry Christmas!

ACC CORNER

Architectural Control Committee Message:

Any architectural changes or improvements to the exterior of your property require approval from the ACC before work can be initiated. You must fill out an Architectural Change Application; this application can be picked up at The Farm office. All architectural change applications must be submitted to The Farm Office by Monday, December 2nd or Friday, December 13th.

Reminder

Autumn is here! Please be mindful of our community and kindly sweep the gutters outside your homes when you are out doing yard work since our city does not provide street-sweeping services. Also, please make sure to sweep up all pine needles during this time because of the fire hazard they cause. **Thank you for all that you do to make The Farm a great place to live.**

HOUSE NUMBERS

As you know, the ACC sent out the 2-week courtesy letters on October 30th asking to add the house numbers on the house/garage along with the curb numbers. This is just a suggestion to comply with ACC rule 4.2:

For emergency purposes, City of Wildomar Ordinance 463 (15.72.020) requires that each residence be identified with address numbers that are visible from the street. These numbers will be a minimum of three (3) inches or larger and of a color that is contrasting to their background. The Farm strongly suggests that the house number be placed on the curb and the house/garage.

You will not be fined for this notice.

Unlawful Street Parking

Please know, under Wildomar City Municipal Code **10.20.020**, a vehicle or trailer parked or left standing at the same location for more than 72 hours is prohibited to be parked or left standing at another location within a radius of 500 feet from the original location. If Code Enforcement Marks the vehicle and it's still there 72 hours later it will be towed by the County Sheriff's Department.

Architectural Control Evaluation Process

The ACC policy regarding evaluations in The Farm properties for non-compliance is performed on a quarterly basis in January, April, July and October. In addition, we also check on pole lights at night in January and October. The *Quarterly Evaluation Process* is as follows:

- 1) The owners of any properties found to be in non-compliance will receive a courtesy letter with a two-week deadline.
- 2) The owners of the properties that are still in non-compliance after being checked following the deadline will receive a Notice of Hearing with the Board of Directors with a 10-business-day deadline.
- 3) If the owners of the properties are still in non-compliance after being checked a third time, the Board may consider assessing a fine. At this point, a letter notifying the owner of the fine is mailed out.

THE FARM YOUTH COMMITTEE

DECEMBER 2019

By Susie Watters

The Farm Youth Recreation Committee plans and implements events for the kids in our community. We are a very small Committee and desperately need more members. Most of our events are FREE and for the entire family.

Prior Events:

Trunk or Treat & A Movie – We had 16 decorated trunks. Everyone was so creative! Prizes for Scariest: Patricia Ann and her Witchy theme – Funniest: Ashley Munoz’s Cookie Monster trunk – and Best Overall Trunk: Thayla Barrett’s Frozen trunk. After the contest we went inside Millers’ Mill to watch Hotel Transylvania, eat free popcorn, “Spooky” cuties and water. The kids were so cute all dressed up (and so were their parents)! A BIG “Thank You” to everyone who made this event happen!

Family Bingo Night – We had a fun night playing BINGO, eating goldfish crackers and laughing. A great Family Game Night.

Upcoming Event:

Santa’s Visit – Saturday, December 7 from 3:00-5:00 p.m. at Millers’ Mill (FREE Event!) Come take the Polar Express to meet Santa and take your child’s picture with him! They can write letters to Santa, send Christmas cards to our Troops, decorate their own Christmas ornament and color a stocking to hang by the fireplace. Cookies, hot chocolate and hot apple cider will be served. After that, stay and watch The Farm Christmas Tree lighting! (This is

a joint event with the Recreation Committee)

There will be no January or February event.

Our next Youth Committee meeting is on Thursday, December 19th at 6:30 p.m. at the Farm Barn Library. We hope to see you there! Look on the back cover of your Gazette for a snapshot of our upcoming events.

COMMUNITY GARDEN OPEN HOUSE EVENT

By Eileen San Giovanni

Our Community Garden Open House was a great success. There were a couple of great hand-outs for fall/winter gardening along with an awesome cheat sheet to show you what months to plant veggies all year round.

Our Chairperson Alan Sargent manned the barbecue to cook the hot dogs. The baked beans were a great compliment. There were lots of yummy baked goodies and donated bottled water from our FMWC. We had two wonderful drawings. A big shout out to Barons on Clinton Keith for their generous gift card and donating the 75 mini pumpkins for the chili cook off! Also thank you to Ginger's Creation for donating the adorable garden night light.

Many of our gardeners are prepping their gardens for fall planting. Check out the Garden Plot article by Beth Kramer that is in our Gazette monthly. At the present time, there are six spaces available to rent for only a \$20 key deposit. Kerri at the office will be glad to assist you. Our meetings are every other month on the third Monday. Next meeting will be January 20, 2020. Happy Holidays!!

- ½ lb. fresh mushrooms...or 1 small canned – drained
- ½ cup chopped green pepper
- 2 cloves garlic – chopped
- ½ cube butter

- 2 pkgs. Imitation crab meat
