Board of Directors' Message

Dear Fellow Farmers,

The Corona Virus (COVID-19) is a part of all our lives. As a community, The Farm has always come together and at this time it is important that we continue to do so. There is a lot of good information on the internet, but not everybody here uses the internet. Please reach out to your neighbors, especially your elderly neighbors to see how they are doing and if they need anything. If you find a neighbor in need, please call one of the following Farm Emergency Response Team (FERT) Members: Cathy Neubauer 951-990-2060, Judy Kentish 951-333-8256, Beverly Bakeman 951-244-1863, or email Thefert@yahoo.com.

As soon as there are reasonable guidelines issued by the Riverside County Health Department, the pools will be open. Stay tuned for more information.

The rains have caused an overgrowth of weeds. Maintenance has been focusing on taking care of them. They are working diligently to cut them down. Please be patient while they do their best to get to your area.

The Farm Board of Directors – Cathy Neubauer, President; Dave Kentish, Vice President; Mike Leonardi, Corp. Secretary; Eileen San Giovanni, Treasurer; Paul Bakeman, Director; George Taylor, Director; and Roger Hillard, Director

Please remember that we have medical equipment available for our Farmers to use free of charge. If you have a broken ankle, a sprain, or are just out of the hospital and weak, call Beverly at 951-244-1863. No donations are needed at this time.

HOUSE OF THE MONTH - APRIL 2020

The Abilez Residence
34128 Harvest Way

By ACC Admin. Assistant Sarah Elman

The April House of the Month honor goes to the Abilez family on Harvest Way. The Abilez family moved from Fallbrook, California to The Farm in 2018. They decided to move to The Farm because the prices were right, the area is beautiful, and they love the amenities that The Farm offers, it was a “no brainer decision”.

The Abilez family loves everything the Farm Community has to offer, especially the sunsets, the safe community, friendly neighbors, and walking trails.

Mrs. Abilez feels the community is a perfect place to raise their two sons. The family is very active in the community, they enjoy attending church, and local youth sports activities in their free time.

Mr. Abilez has a passion for gardening and updating the home with fresh flowers and whimsical decorations. The home has recently been painted, new fresh rock placed, and new lighting, all make this property really stand out. We hope you have a chance to stop by and see the beauty this home has to offer.

charm, they immediately fell in love. When Mr. Egerton had to retire the farm was their first choice! We loved the space between homes, the trees, county greenery, and the western decorations. We decided The Farm would be a lovely place to live. When they purchased the house 26 years ago it was only three years old. “Our Little house has a nice family room with a large fireplace, 3 bedrooms, and two baths. The home was in minor need of painting and they decided to take out the grass and put down stone landscaping in both the front and back yard. More recently we built a patio deck with umbrella and chairs on it, which was great to have little dinner parties and dance on the deck. Although Mrs. Egerton’s husband passed away 9 years ago, Mrs. Egerton is still close to family and loves for her granddaughter to come and visit. The two love to plant vegetables together like baby carrots, green peppers, and tomatoes. Mrs. Egerton’s granddaughter also loves to play in the dirt and sample the fresh vegetables.

HOUSE OF THE MONTH JUNE 2020

The Brown Residence
33491 Calico Court

By ACC Admin. Assistant Sarah Elman

The June House of the Month honor goes to the Brown Family on Calico Court. Before moving to The Farm Mr. Brown and family lived in Wildomar. Mrs. Brown grew up in Wildomar so this area was very familiar to her. The Brown family decided to move to the farm just like many other families because the price was right for what they were getting. When they were looking for a home Mr. Brown needed a big back yard and with the lot they purchased, they got everything they were looking for. The location of the home was also preferable, the browns really like living at the top of a cul-de-sac. The Brown family has called the Farm home for two years now and their favorite attraction is how quiet and peaceful it is. The Brown’s children use the lake, tennis courts, and basketball courts often. They have also done a ton of beautiful improvements on the property since moving in. The lot was solid dirt in both the front and back yard when the home was purchased and they decided to level both to make customizations easier. With the front yard leveled they built a block privacy wall between the neighbor’s home and theirs, added vinyl fence to both sides, painted the entire house, re did concrete, and also added a white picket fence. In the back yard the family has added a pool with a custom pool deck, added irrigation lines, and planted a dozen fruit trees and grass. They have also built a 5000-gallon koi pond with waterfall, built a tree house for the kids and added tons of landscape plants/rocks etc. We are so glad to have such a beautiful home here in the Farm to enjoy.

HOUSE OF THE MONTH MAY 2020

The Egerton Residence
34561 The Farm Rd.

By ACC Admin. Assistant Sarah Elman

The May House of the Month honor goes to the Egerton Residence. Originally the Egerton family is from Canada and moved to Orange County in 1980. We loved Orange County; our daughter moved to Murrieta in the 1990’s. She told us The Farm was near her house and a super cute little mobile home community. The Egerton’s had heard a lot about Lake Elsinore and Murrieta and were interested in looking to possibly retire there. Their first visit went great, The Farm was not like they were expecting at all, the community was large and beautiful, they were surprised there were nice homes with personality and tons of country

Crime Watch Committee

Liaison George Taylor reported for Beth Kramer. In the month of January, we had 19 patrols for a total of 68 patrol hours, 337 patrol miles and 353 total miles were put on the car. At our January meeting, the committee voted Marlene Quinn for secretary! We reviewed procedures for fueling, patrol logs, incident logs and formed a team to work on the P&P's for the dash cam. We expect to have a rough draft next month for the committee to review. Expenses were reviewed. We had spent \$30 in gas and \$28.25 in donuts for the month. We have received an anonymous donation in January for \$76. Thank you for the donation!! The crime reports for the holiday season were reviewed. We were very close to 50%-day crime to 50%-night crime.

We voted to order the insignia for the Crime Watch car, so look for that to be installed soon. In March, Crime Watch and FERT will be co-sponsoring James Jensen from Adult Protective Services on Wednesday, March 11th at

Millers' Mill. Tacos, coffee and dessert will be provided by FERT and Crime Watch. Water will be provided by the Farm Mutual Water Company. This will be our guest speaker for the month. There will not be a Crime Watch Saturday event on March 14th. The Farm Barn is reserved for another event.

Our next meeting is Monday, February 24th at 7 p.m. at Millers' Mill. We have cookies, coffee, and will be discussing the crime reports, the new dash cam, car maintenance, and more. Crime Watch is always in need of more volunteers! We currently are in need of observers. We have so many new drivers. Thank you to all our volunteers that help keep the car out there patrolling our streets.

FERT Committee

Dean Gray reported for the FERT Committee. The Farm Emergency Response Team reports the following. Administration, we are at 100%. Brittany Wade will be taking over as our IT/Social Media Director.

Incident report – On Thursday, February 6, 2020, a 13-year old girl was reported missing and reported to having been seen around The Farm Community. An alert was issued and the FERT team, along with numerous neighbors conducted searches throughout the neighborhood. The community came together in the search.

Events for February – Blood Drive was on Saturday, February 8, 2020. The next one is Saturday, June 6, 2020. On Wednesday, February 19, 2020, we have our scheduled quarterly drill.

Recreation Committee

Jan MacKenzie reported for the Recreation Committee. The January dinner was a great success. The soups were received well and the salad was delicious. In all, the evening was very calm and pleasant. Bingo was enjoyable and we actually made a profit on the evening. Many thanks to everyone who made soup, and also the volunteers who made the room look spectacular. We received a nice card from Bev Bakeman thanking us for a great evening.

Our new secretary Maureen Quinn is stepping up to the plate. It was sad to lose Beth, but she is extremely busy with Crime Watch.

Eileen San Giovanni is officially decorator in-chief, so look out for lots of bling and lights.

Our next event is Saturday, February 15, 2020, when we present Oscar Night, a sideways look at the red carpet. Eddie, the vocalist is returning to entertain us by popular request. He will be playing songs that won awards in the movies. We will be having an Italian dinner with an elegant tablescape, and live entertainment. This should give us a hallmark event.

Welcome Committee

Morgan Dulak reported for Durene Southward. This month the Welcome Committee went out on January 25, 2020 with Durene Southward, Dena Vogstrom, and Laurie Jueneman. For the month of January, there were seven new residents to welcome to The Farm. Four of our new homeowners were not available to talk with us. Three of the new homeowners were home. We had a chance to get to know them. One of our new homeowners already is living in the home. Another new resident has lived at The Farm over seven years, and he bought it from his family. A young couple moved from an apartment and they love having a home with a yard for their children. It's wonderful to meet new neighbors and be able to share information about our community. We are looking forward to meeting new neighbors next month.

Youth Committee

Susie Watters reported for the Youth Committee. We will be having **Storytime and a Craft** on Thursday, March 19, 2020. This is a free event. It will be at the Farm Barn library from 10:30-11:30 a.m. Please join us for Storytime with Miss Janine! We will have a story and craft. Bring the little ones and have a fun-filled morning!

Architectural Control Committee Message:

In July ACC evaluations will resume, we will be checking for weeds, paint, landscaping, storage and other violations that need to be cleaned up as well. The Quarterly Evaluation Process is as follows: 1) The owners of any properties found to be in non-compliance will receive a 2-week courtesy letter. 2) The owners of the properties that are still in non-compliance after being checked following the deadline will receive a 10-day Notice of Hearing. A 72-hour notice if attending the executive meeting must be received in the office. 3) If the owners of the properties are still in non-compliance after being checked a third time, the Board may consider assessing a fine. At this point, a letter notifying the owner of the fine is mailed out. We know this has been a trying time for many, we must all work together to maintain our community, stay safe and healthy!

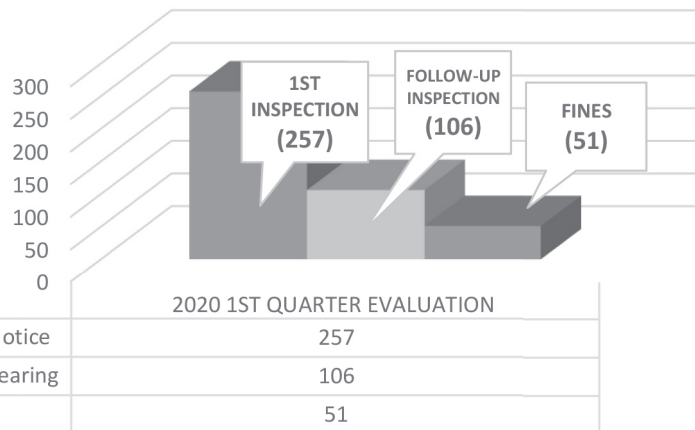

1st Quarter – Compliance Evaluation Statistics

During our first ACC evaluation of the year, the Architectural Control Committee determined that 257 properties were found to be in violation of the FPOA Architectural rules. After the initial inspection, those 257 properties were sent a first notice (2-week courtesy letter) to encourage homeowners to correct the violations. Two weeks later a second inspection occurred in order to determine how many properties corrected their violations. Out of the original 257 violations, 151 violations were corrected, leaving 106 violations that remained in a non-compliant status. A second and final notice was then sent out giving residents ten days to correct their violation before fines are assessed to owner accounts. After ten days, the final inspection took place and showed that 55 out of the 106 violations were corrected; leaving only 51 violations total. Below is a visual representation of the information we collected - post evaluation.

**MESSAGE FROM THE
RECREATION COMMITTEE**

By Jan MacKenzie, Chairperson

Dear friends and colleagues, are you ready! I can't wait. It's been so long it seems, since we have been together working on a fun project for The Farm community. I hope you have had a safe experience during this worrying time and hopefully none of your loved ones have been involved.

I seems that we may get to celebrate the 4th of July together, but not too close. A parade is what we need, but the committee cannot feed residents. We all need the lift that special day would bring us. We can set up, distance and parade. Be safe, so be ready guys. It's just around the corner. God bless everyone of you and God bless America.

GAZETTE ARTICLE

By Susie Watters

E-Waste Fundraiser is cancelled due to the Coronavirus

Easter Egg Hunt is cancelled due to the Coronavirus.

Is this the end of the Youth Committee?

Sadly, I will be resigning as the Chairperson of the Youth Committee. The Youth Committee has so few members that we can't continue putting on our monthly events. If someone wants to step up and take over the Chairperson position let me know, I will happily assist in the transition (we also need a Co-chair). I believe that the Youth Committee has been an awesome asset to The Farm community. I will be very sad if it discontinues.
