FROM THE RECREATION COMMITTEE

By: Jacqueline Meers-Heidrick

Love is in the air, Happy Valentine’s Day to all our Farmers young and old!! Whether you are making Valentine’s for your classmate or taking your wife out for a night on the town, it is to show those how much you appreciate and love them.

Red roses are a symbol of love. It is a Victorian tradition called Floriography. Flowers are the language of love. Folklore says when one loses a glove the person who finds it may be your own true love, and a simple kiss is a worldwide symbol of love.*

Happy St. Patrick’s Day Dinner on Saturday, March 16, 2024: Imagine tender Corned Beef and cabbage, red potatoes to perfection, carrots, yummy rolls, and dessert. This is one of our most popular dinners, so sign up early. Sign-up starts on the first of the month.

Saturday, April 6, 2024: Community Garage Sale: Meet your neighbors plus make some cash. Those unwanted items can turn into treasures for your neighbors and friends.

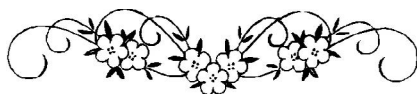

Saturday, May 28, 2024: Cinco De Mayo: The best Enchiladas in town, seriously. This will be served with the traditional fare of beans and rice and a great dessert. All of our dinners start at 5:00 pm, social time, and dinner will be served at 6:00 pm.

Reservations are necessary since space is limited. You may sign up at the Farm Barn or call or text Geri at 951-561-1144. There is an \$8.00 donation, and children 3-8 are \$4.00, and children under 2 are free.

Happy Valentine’s Day to all our Farmers. If you like to volunteer for the Recreation Committee please come to our next meeting on the first Monday of each month at 6:00 pm at the Farm Barn. We always welcome great cooks, party planners, decorators, clean-up staff, and table setters.

Note: Please let us know if you need to cancel a reservation. We have a waiting list, and food preparation is planned for the number of Farmers who attend. Food prices are going up, so it is imperative to let us know if you cannot come. Thank you for your cooperation.

**Kate Greenway “Languages of Flowers”*

Let’s celebrate Don Schneider’s 97th birthday, Sunday, February 18th from 12:00-1:00 pm! Bring your party hats and your best singing voice and let’s all sing a hale and hearty Happy Birthday as you drive by 24466 Citrus Hill (between The Farm Road and Harvest Way)!

ACC HOMES OF THE MONTH

The Simpson Family
33727 Wagon Train Drive
By: Denice Harrison, CMCA®

The Simpson family moved to the Farm in 2013. They were exploring around the Orange County area before purchasing the property on Wagon Train.

The family likes the quietness of the community and with it being closer to work, they felt it was the perfect place. Also adding to the decision to move to the Farm was the ability to see the stars at night and better property taxes.

In the last 10 years, the property went from a front yard with pea gravel to a front yard with a patio seating area, turf, river rock, small palm trees and beautiful plants lining the walkway. The ACC Committee would like to thank the Simpson family for the pride in home ownership.

ACC HOMES OF THE MONTH

The Garza Family
24850 Rainbarrel Road
By: Denice Harrison, CMCA®

Six years ago the Garza family moved to the Farm from Lake Elsinore. While the family was looking for a property they visited the Farm during a sunset and knew this was the right community.

The family enjoys all the amenities and the events the Farm has to offer. In July of 2016, the property was built with all-new drought-tolerant landscaping. The Garza family has kept the yard in great condition and the pride in home ownership shows. A big thank you to the Garza family from the ACC Committee.

DIRECTOR REPORT

President Dave Kentish – FERT Committee Liaison

The FERT Committee is working on the 2024 blood drive dates for April and October.

Vice President Paul Bakeman – Garden and RV Liaison

Garden beds need to be kept weed-free. Remember to check on them. There are 3-40' RV spaces available and quite a bit of 10' and 20' spaces available.

Corporate Secretary Michael Leonardi – Welcome Committee Liaison and Line Dancing

Excused

Treasurer Eileen San Giovanni – ACC Committee, Gazette Liaison and Exercise

Melissa, our accounting manager is in the process of moving all accounts to the Enumerate software from TOPS. She is hoping to have it done by next week. It is a complicated process. If you have any questions regarding your account please feel free to call her at 951-244-3719.

The ACC Committee would like to thank the Farm residents for their pride in ownership of their property. They wish you all a very Merry Christmas and Happy New Year! The January Gazette should be delivered in the first week of January.

Our exercise group is always welcoming new members. We will be taking a break the week of December 25th-January 1st. We meet Monday through Thursday from 7:15-7:45 a.m. at Millers' Mill.

Director Edward Ahner – Maintenance Liaison

Ed reviewed the maintenance report.

Director Edward Moore – Recreation Committee Liaison

Meetings are normally held on the first Monday of each month in the Farm Barn library at 6:30 p.m. The next meeting will be on the second Monday, January 8th. Volunteers and guests are encouraged to attend. Planning for the forthcoming events is ongoing. They can always use a few more volunteers for their events.

The Turkey Trot dinner was a tremendous success, and reservations for 96 attendees were full in record time. There were too many last-minute cancellations/no-shows, which didn't allow for folks on the waiting list to attend. Ideas on how to solve this are being gathered.

The Gingerbread Winter Wonderland/Visit with Santa and Tree Lighting event, co-sponsored by the Youth Committee attracted a large attendance of children with their families. Complimentary pictures with Santa were taken and printed, and many other activities for the children were enjoyed. The decorations this year surpassed the beauty of last year, with many hours of work by committee members and volunteers making the room feel holiday magical.

The Recreation Committee celebrated the upcoming holidays with a potluck dinner and ornament exchange.

The next dinner event is the “Happy St. Patrick’s Day” event on Saturday, March 16th at Millers’ Mill. Schedule: 5:00 p.m. Social Hour, 6:00 p.m. dinner served. Sign-ups will open on Friday, March 1st. Please call/text Geri at 961-551-1144 or sign up in the Farm Barn lobby to make reservations. Limited to 96 attendees.

Menu: Corned Beef, cabbage, potatoes, carrots, rolls and dessert. You can bring your own beer or wine. There will be bingo and drawings held for excellent door prizes. Donations are \$8 per reservation, \$4 for ages 3-8, paid in cash at the event.

Director Gayl Taylor – Youth Committee Liaison

A great job by Edward Moore volunteering for the Visit with Santa event. Many hours were put in by all the volunteers.

CORNHOLE

By: Paul Bakeman

Attention Cornhole Enthusiasts, I am currently looking for Farmers who would love to enjoy a friendly competitive weekly game of Cornhole. Maybe it could turn into a club to compete with other Cornhole clubs? There has been interest among some Farmers, and I am looking for more.

If you're interested, we can meet at the picnic area by Pool One on Farm Road at 10 am on Saturdays. I will bring my Cornhole boards, and if you have one please bring it too. Hope to see y'all there!

MEDICAL EQUIPMENT

FERT Community BBQ & Blood Drive
Saturday, March 2nd from 9:00 – 2:00
@ Millers' Mill

OUR BLOOD BANKS ARE EXPERIENCING A SEVERE SHORTAGE OF BLOOD! PLEASE HELP!

10 Reasons Why You Should Give

From the North Central surgical Center Hospital

1. You can save up to 3 lives!
2. Not everyone is eligible to donate blood. Only 38% of the population can donate, so if you are able, you are in selected minority.
3. Your body will make new blood. It takes 24 hours to replace plasma and about 4-6 weeks to replace red blood cells. Consider it a tune-up for your body.
4. Giving blood is not painful. You may feel a slight prick initially but it doesn't last long.
5. Donating blood burns calories! Your body will burn approximately 650 calories just by donating.
6. You get a free well-check. Before you give, a nurse will check your blood pressure, pulse, temperature, and hemoglobin levels. You may also be screened for HIV, Hepatitis, and other diseases.
7. It only takes an hour of your time.
8. You'll feel a boost in confidence and your emotional well-being knowing that you have done a good deed and are a part of saving lives.
9. There is not substitute for human blood. Blood cannot be manufactured in any way and it is always in high demand.
10. You may be one of the 25% of people who need a blood donation one day.

Have you reviewed your 2024 Medicare Benefits?

What and When is the Annual Election Period?

The Annual Election Period (AEP) is your time of year to change your Medicare Health Plan for the following year. You have from Oct. 15, 2023 to Dec. 7, 2023 to make your decision for the year 2024. This Annual Election Period, and throughout the rest of the year, I'll be here to help you anytime you have questions.

Do I need to make a change?

Because Medicare Advantage plans renew annually, your current plan may have changes for the year 2024, You should have already received your current Health Plan's Annual Notification of Change (A.N.O.C.) It's good to review and compare your options during the Annual Enrollment Period and make sure you don't miss out on any additional benefits or lower out of pocket expenses.

If I need to make a change, can I keep my current doctor and/or network?

Yes!!! The benefit of working with me, is that it's my job to make sure your new plan covers all of your needs, including which doctors you'd like to see. Give me a call 951-764-7451

We do not offer every plan available in your area. Currently we represent 16 organizations which offer 47 products in your area. Please contact Medicare.gov, 1-800-MEDICARE, or your local State Health Insurance Program (SHIP) to get information on all of your options.
